### Key Features:

- Mid-century modern design aesthetic.
- Constructed from engineered wood with a durable walnut brown finish.
- Features three drawers with distinct dark grey, light grey, and white fronts.
- One open shelf for media components, equipped with a circular cut-out for cable management.
- Drawers operate with a convenient push-button mechanism for easy opening.

## 2. Safety Information

Please read all instructions carefully before assembly and use. Failure to follow safety guidelines may result in injury or damage to the product.

- **Assembly Safety:** Always assemble the unit on a soft, clean surface to prevent scratches. Ensure all hardware is securely tightened before use. Do not overtighten screws.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the top surface or shelves. Distribute weight evenly.
- **Stability:** Place the TV stand on a level surface. If the unit feels unstable, recheck all connections. Consider using anti-tip hardware if available and recommended for your specific setup.
- **Children and Pets:** Keep small parts and packaging materials away from children and pets during assembly. Do not allow children to climb or play on the unit.
- **Proposition 65 Warning:** This product may expose you to chemicals known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## 3. Package Contents

Before beginning assembly, verify that all parts and hardware are present. Refer to the detailed parts list and hardware diagram included in your product packaging for exact quantities and identification.

Typically, the package includes:

- Main TV Stand Body Components (top, bottom, side panels, shelves)
- Drawer Components (fronts, sides, backs, bottoms)
- Legs and Support Brackets
- Hardware Pack (screws, dowels, cam locks, push-button mechanisms, etc.)
- Assembly Instructions Booklet

If any parts are missing or damaged, do not proceed with assembly. Contact Baxton Studio customer support for assistance.

## 4. Assembly Instructions

Assembly of the Svante TV Stand is required. It is recommended that two adults perform the assembly. Please follow the step-by-step instructions provided in the separate assembly manual included with your product. Ensure you have adequate space and the necessary tools before starting.

### General Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent damage.
2. Identify all parts and hardware using the provided list.
3. Attach the main frame components (top, bottom, sides) using the specified hardware.
4. Install the internal shelf and any support panels.

5. Assemble the drawers, ensuring the push-button mechanisms are correctly installed.
6. Insert the assembled drawers into their respective compartments.
7. Attach the angled legs to the base of the TV stand.
8. Carefully move the assembled unit to its desired location.

**Tools Required:** Typically, a Phillips head screwdriver and a hammer are needed. Power tools are not recommended for assembly as they may overtighten screws and damage the wood.

## 5. Operating Instructions

The Svante TV Stand is designed for holding televisions and media components. Follow these guidelines for optimal use:

- **Placing Your TV:** Carefully place your television on the top surface, ensuring it is centered and stable. Do not exceed the maximum weight capacity of the stand.
- **Using the Open Shelf:** The central open shelf is ideal for DVD players, gaming consoles, soundbars, or other media devices.
- **Cable Management:** Utilize the circular cut-out at the back of the open shelf to route and conceal cables and wires, maintaining a tidy appearance.
- **Drawer Operation:** The drawers feature a push-button mechanism. To open a drawer, gently push on the drawer front until it clicks and springs open. To close, push the drawer back in until it latches securely.

## 6. Maintenance and Care

Proper care will help maintain the appearance and longevity of your Svante TV Stand.

- Cleaning:** For general cleaning, wipe the surface with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish. The manufacturer recommends hand washing for product care.
- Spills:** Immediately wipe up any spills with a dry cloth to prevent staining or water damage.
- Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.
- Heat and Moisture:** Keep the unit away from direct heat sources and areas of high humidity. Use coasters under beverages to protect the surface.
- Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary, but do not overtighten.

## 7. Troubleshooting

If you encounter issues with your Svante TV Stand, refer to the following common problems and solutions:

| Problem                              | Possible Cause   | Solution   |
|--------------------------------------|--|--|
| Unit is wobbly or unstable.          | Loose hardware; uneven floor.  | Ensure all screws and connections are tightened. Move to a level surface or use shims under the legs.  |
| Drawers do not open/close smoothly.  | Misaligned drawer slides; faulty push-button mechanism; obstruction. | Check that drawer slides are correctly installed and aligned. Inspect the push-button mechanism for any debris or damage. Ensure nothing is obstructing the drawer's path. |
| Scratches or minor damage to finish. | Impact during assembly or use.                                       | For minor scratches, a wood repair marker or furniture polish designed for walnut finishes may help.   |

If troubleshooting steps do not resolve the issue, please contact Baxton Studio customer support.
