Cybex Mios 2 Complete Stroller Instruction Manual

Model: 519003359

1. PRODUCT OVERVIEW

The Cybex Mios 2 Complete Stroller is designed for compact functionality and stylish mobility. It offers maximum stability within a lightweight frame, making it ideal for navigating urban environments with ease. Key features include a breathable mesh seat for temperature regulation, a reversible seat unit, and high-quality materials with leather-look details.

Image: Cybex Mios 2 Complete Stroller in True Red with Chrome/Brown Frame. This lightweight and compact stroller features a vibrant red seat and canopy, complemented by a sleek chrome and brown frame.

2. KEY FEATURES

- Lightweight aluminum frame for easy maneuverability.
- One-hand fold mechanism for compact, self-standing storage.
- Breathable mesh backrest to regulate child's body temperature.
- Reversible seat unit for forward or parent-facing positions.
- Adjustable leatherette handlebar for users of all heights.
- Leatherette bumper bar that opens on either side for easy access.
- Front swivel wheels with locking capability for stability on uneven terrain.
- All-wheel suspension system for a smooth ride.
- Never-flat foam-filled rubber wheels for durability.
- Large shopping basket with an 11 lb. capacity.
- Adjustable leg rest for child comfort.
- Comfort Inlay for additional padding and warmth.
- XXL Sun Canopy with peek-a-boo window and UPF 50+ rating.
- Head Cushion for added head and neck support.
- Travel system compatibility with MIOS Carry Cot or any CYBEX infant car seat.

3. SETUP AND ASSEMBLY

Your Cybex Mios 2 Stroller comes with all necessary components for assembly. Please follow the steps below for proper setup.

3.1. What's in the Box

- Cybex Mios 2 Stroller Frame
- Cybex Mios 2 Seat Unit
- Large Shopping Basket
- Adjustable Leg Rest
- Comfort Inlay
- XXL Sun Canopy with peek-a-boo window and UPF 50+ rating
- Head Cushion
- Premium Fabric and Leather-look Details
- Cybex Mios 2 Carry Cot (if purchased as part of a bundle)

3.2. Stroller Assembly

For a detailed visual guide on assembling your Cybex Mios 2 Stroller, please refer to the official tutorial video below. The video covers attaching wheels, unfolding the frame, and initial setup of the seat unit.

Video: Official Cybex Mios Tutorial Video. This video provides comprehensive instructions for assembling and setting up your Cybex Mios stroller, including attaching wheels and unfolding the frame. (Relevant segment: 0:04 - 0:35)

1. **Unfold the Frame:** Release the frame lock and unfold the stroller until it clicks into place.
2. **Attach the Wheels:** Insert the front and rear wheels into their respective slots until they click securely.
3. **Attach the Seat Unit:** Align the seat unit with the frame connectors and push down until it locks into place. Ensure it is securely fastened.

4. OPERATING THE STROLLER

The Cybex Mios 2 offers various adjustable features for optimal comfort and convenience. Refer to the video for visual demonstrations.

4.1. Adjusting the Footrest

The footrest can be adjusted to multiple positions to accommodate your child's growth and comfort. Locate the adjustment buttons on either side of the footrest and press them to move it up or down.

Video: Official Cybex Mios Tutorial Video. (Relevant segment: 0:36 - 0:46)

4.2. Harness System

The 5-point harness system ensures your child's safety. Adjust the shoulder straps to the appropriate height for your child. To buckle, insert each buckle tongue into the central buckle until it clicks. To unbuckle, press the button on the central buckle.

Video: Official Cybex Mios Tutorial Video. (Relevant segment: 0:47 - 1:00)

4.3. Reversible Seat Unit

The seat unit can be easily reversed to face either forward or towards the parent. To reverse, locate the release buttons on the sides of the seat unit, press them, lift the seat, rotate it to the desired direction, and reattach until it clicks securely.

4.4. XXL Sun Canopy

The large sun canopy provides ample protection from the sun with UPF 50+ rating. Extend the canopy by pulling it forward. It features a peek-a-boo window for easy viewing of your child.

Video: Official Cybex Mios Tutorial Video. (Relevant segment: 2:00 - 2:40)

4.5. All-Wheel Suspension

The stroller is equipped with all-wheel suspension for a smooth ride over various terrains. The front swivel wheels can be locked for increased stability on rougher surfaces. To lock, push the lever above the front wheels down. To unlock, pull it up.

Video: Official Cybex Mios Tutorial Video. (Relevant segment: 2:41 - 3:00)

4.6. Handle Adjustment

The handlebar height can be adjusted to suit the user. Locate the central button on the handlebar, press it, and move the handle up or down to your preferred height. Release the button to lock it in place.

Video: Official Cybex Mios Tutorial Video. (Relevant segment: 3:01 - 3:18)

4.7. One-Hand Folding

The Mios 2 features a convenient one-hand folding mechanism. Ensure the seat is in the forward-facing position. Press the folding button on the handlebar and push the handle forward to collapse the stroller into a compact, self-standing fold.

Video: Official Cybex Mios Tutorial Video. (Relevant segment: 5:01 - 5:50)

4.8. One-Hand Recline

The seat recline can be adjusted with one hand. Locate the recline lever on the back of the seat unit. Press the lever and

adjust the seat to the desired recline position. The seat offers a deep recline suitable from birth.

5. MAINTENANCE

Regular maintenance will ensure the longevity and safe operation of your Cybex Mios 2 Stroller.

5.1. Cleaning

- **Fabric Parts:** The fabric covers are removable and machine washable on a cold and delicate cycle. Refer to the care label for specific instructions.
- **Frame and Plastic Parts:** Wipe clean with a damp cloth and mild soap. Do not use abrasive cleaners.
- **Wheels:** Regularly clean the wheels and axles to remove dirt and debris. Lubricate moving parts with a silicone-based spray if needed.

5.2. Storage

Store the stroller in a dry, well-ventilated area away from direct sunlight and extreme temperatures to prevent damage to materials.

6. TROUBLESHOOTING

If you encounter any issues with your Cybex Mios 2 Stroller, please refer to the following common solutions:

- **Stroller not unfolding/folding smoothly:** Ensure all locks are disengaged and the seat unit is correctly positioned (forward-facing for folding). Check for any obstructions in the folding mechanism.
- **Wheels are stiff or squeaky:** Clean any debris from the wheel axles and apply a small amount of silicone lubricant. Ensure the swivel wheels are not locked if you intend to swivel.
- **Seat unit not attaching securely:** Verify that the seat unit is correctly aligned with the frame connectors and push firmly until you hear a click. Check for any debris in the connection points.
- **Harness difficult to buckle/unbuckle:** Ensure no fabric is obstructing the buckle mechanism. Clean the buckle if necessary.

For persistent issues, please contact Cybex customer support.
