KidKraft Camila Dollhouse (Model 65986) Instruction Manual

Your guide to assembly, operation, and care.

INTRODUCTION

Thank you for choosing the KidKraft Camila Dollhouse. This manual provides essential information for the safe assembly, operation, and maintenance of your new dollhouse. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Safety Warning: For domestic use only.

PACKAGE CONTENTS

Before assembly, ensure all components are present. The KidKraft Camila Dollhouse package includes:

- KidKraft Camila Dollhouse structure (various wooden panels)
- 30 pieces of dollhouse furniture and accessories (some with light and sound features)
- Assembly hardware
- Detailed assembly instructions

Note: Some accessories require 12 LR44 button cell batteries (included) for light and sound functions. Please check the individual accessory for specific battery requirements and installation.

SETUP AND ASSEMBLY

The KidKraft Camila Dollhouse features EZ Kraft Assembly™ for a streamlined setup process. Follow the step-by-step instructions provided in the separate assembly guide included with your product. It is recommended to assemble the dollhouse in the area where it will be used.

MAINTENANCE

Proper care will ensure the longevity of your KidKraft Camila Dollhouse.

- **Cleaning:** Wipe surfaces with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust the dollhouse and accessories to prevent buildup.
- **Battery Replacement:** For accessories with light and sound, replace LR44 button cell batteries as needed. Ensure correct polarity and dispose of old batteries responsibly.
- **Storage:** Store the dollhouse in a dry environment, away from direct sunlight or extreme temperatures, to prevent warping or fading.

TROUBLESHOOTING

If you encounter any issues with your dollhouse, refer to the following common solutions:

- **Parts Not Fitting During Assembly:** Double-check the assembly instructions to ensure you are using the correct parts and orientation for each step. Do not force parts together.
- **Light/Sound Accessories Not Working:**
 - Verify that batteries are installed correctly with the proper polarity.

- Replace old batteries with new LR44 button cells.
- Ensure the accessory's power switch (if applicable) is in the 'ON' position.
- **Stability Issues:** Ensure all screws and connectors are tightened securely. The dollhouse should be placed on a flat, stable surface.
