## Alpha Alpha Skin Care

# Alpha Skin Care Moisturizing Body Wash

INSTRUCTION MANUAL

### Product Overview

---

The Alpha Skin Care Moisturizing Body Wash is a gentle, soap-free formula designed to cleanse, moisturize, and improve skin texture. It contains Glycolic Alpha Hydroxy Acid (AHA), Vitamin E, and Aloe Vera, formulated with a pH level of 4.5, making it suitable for all skin types.

## Product Features

- **Anti-Aging Formula:** Contains Glycolic Alpha Hydroxy Acid (AHA), Vitamin E, and Aloe Vera with a pH of 4.5 to promote smooth, moisturized skin.
- **Healthy & Radiant Skin:** Gently removes dead skin cells, reducing the appearance of lines and wrinkles, and promoting a radiant, even skin tone.
- **Key Ingredients:** Formulated with essential, natural ingredients known for clinically proven results in promoting healthy, younger-looking skin.
- **Vitamins & Nutrients:** Combines vitamins and nutrients with anti-aging ingredients to provide soothing moisture and reduce visible signs of aging.

## Ingredients

---

## Safety Information

For external use only. Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water. Discontinue use if irritation occurs. Keep out of reach of children. Always perform a patch test on a small area of skin before full application, especially if you have sensitive skin or are new to AHA products.

## Warranty and Support

For product inquiries or support, please refer to the manufacturer's official website or contact their customer service. Specific warranty details may vary and are typically provided with the product packaging or on the manufacturer's website.
