Gillette Venus ComfortGlide White Tea Razor

Gillette Venus ComfortGlide White Tea Women's Razor Instruction Manual

1. PRODUCT OVERVIEW

The Gillette Venus ComfortGlide White Tea Women's Razor is engineered for a smooth and comfortable shaving experience. It features a handle designed for a comfortable grip and a pivoting head that adapts to body curves. The razor blades include built-in flexible soap bars infused with a light White Tea scent, which activate when wet to facilitate a seamless glide over the skin, eliminating the need for separate shaving cream.

Key Features:

- **3 Curve-Hugging Blades:** Each refill features three blades for a close, lasting shave, designed to resist rust.
- **Seamless Glide:** Water-activated gel bars provide a smooth glide with every stroke.
- **Skin Protection:** Moisture bars release a rich body butter lather, helping to guard against nicks, cuts, and irritation.
- **Adaptive Pivoting Design:** The razor's head adjusts to your body's contours for precise shaving.
- **White Tea Scented Moisture Bars:** Leaves skin feeling smooth and refreshed.
- **Ergonomic Handle:** Designed for durability and control. All Venus blade refills fit any Venus razor handle (excluding Simply Venus and Venus Pubic Hair Razor).

2. SETUP

Before first use, assemble your razor by attaching a blade refill to the handle.

Assembly Steps:

1. Carefully unfasten the razor handle and a blade refill from their packaging.
2. Align the top of the razor handle with the back of the blade cartridge.
3. Press the handle firmly into the blade cartridge until it clicks securely into place.

Video 2: This video shows the razor's flexible head and the simple process of detaching and attaching a blade refill.

3. OPERATING INSTRUCTIONS

Follow these steps for an effective and comfortable shave:

1. Wet your skin and the razor head thoroughly with water. The built-in gel bars will activate, creating a lather.
2. Hold the razor at a comfortable angle against your skin.
3. Gently move the razor in the direction of hair growth. The pivoting head will adapt to your body's contours.
4. Rinse the razor head after each stroke to prevent clogging and maintain optimal performance.

Image 2: Demonstrates the 2-in-1 lather and shave action of the razor.

Image 3: Highlights that no additional shave gel is required due to the integrated moisture bars.

Video 3: A woman demonstrates shaving her leg with the Gillette Venus ComfortGlide razor, showcasing its smooth glide.

4. MAINTENANCE

Proper maintenance ensures the longevity and effectiveness of your razor.

Blade Replacement:

The gel bars on the blade refill will gradually wear down with use. When they appear thin or the shave no longer feels smooth, it's time to replace the blade.

1. To remove a used blade, press the release button located at the back of the razor handle. The blade will detach.
2. Dispose of the used blade safely.
3. Attach a new blade refill by aligning it with the handle and pressing until it clicks into place.

Image 4: The razor handle features a no-slip grip and can be stored in a shower holder (if included) to keep it clean and dry.
