Bonnlo Twin Over Twin Bunk Bed

Bonnlo Twin Over Twin Metal Bunk Bed Instruction Manual

Model: Twin Over Twin Bunk Bed

1. Important Safety Information

Please read and understand all instructions before assembling and using this bunk bed. Retain this manual for future reference.

- **Maximum Weight Capacity:** The upper bunk and lower bunk each support a maximum weight of 400 lbs. Do not exceed these limits.
- **Proper Assembly:** Follow the step-by-step instructions carefully to ensure the bed is assembled correctly and is stable. Improper assembly can lead to instability and injury.
- **Ladder Safety:** Ensure the ladder is securely attached to the bed frame. The ladder can be attached to either end of the bed. Use the provided anti-slip rubber covering on the ladder steps for enhanced safety and comfort.
- **Guardrail:** The upper bunk features a 13.18-inch high guardrail to prevent falls. Ensure it is properly installed and maintained.
- **Wall-Mounted Bracket:** An optional wall-mounted bracket is included to increase the stability of the bed. It is highly recommended to use this bracket and secure the bed to a wall stud.
- **Mattress Compatibility:** This bunk bed is designed for standard twin-sized mattresses. Mattresses are not included.
- **Children's Safety:** The top bunk is not suitable for children under 6 years of age. Always supervise children using the bunk bed.
- **No Box Spring Required:** Metal support slats are included, eliminating the need for a box spring.

2. Product Overview and Dimensions

The Bonnlo Twin Over Twin Metal Bunk Bed is designed for space-saving and durability. It features a sturdy metal frame with a black powder coat finish.

Image: Product dimensions and weight capacity. The bunk bed measures 77.95 inches (L) x 41.54 inches (W) x 64.96 inches (H). Both upper and lower bunks have a 400 lbs weight capacity.

Key Features:

- **Sturdy Metal Frame:** Constructed from strong steel with a black powder coat finish.
- **Reinforced Guard Rail:** 13.18-inch high guardrail on the top bunk for safety.
- **Upgraded Flat Rungs:** Ladder designed with wide, flat steps and anti-slip rubber covering for comfort and safety.
- **Removable Ladder:** The ladder can be attached to either the left or right side of the bed.
- **Space-Saving Design:** Ideal for maximizing space in smaller rooms.

Image: Illustration showing the ladder can be removed and attached to either side of the bunk bed.

3. Setup and Assembly

Assembly of the Bonnlo Twin Over Twin Bunk Bed typically requires 2-3 hours with two people. Step-by-step instructions are included in the packaging. It is highly recommended to have at least two adults for assembly.

Before You Begin:

- **Unpack All Components:** Carefully remove all parts from the packaging and lay them out. Verify that all parts and hardware are present according to the included parts list.
- **Inspect Parts:** Check all components for any damage or manufacturing defects before assembly. Contact customer service if any parts are missing or damaged.
- **Tools Required:** A hex wrench is typically provided. Having a cordless drill with hex bits can significantly speed up the assembly process.
- **Work Area:** Ensure you have a clear, flat, and spacious work area, preferably 4' x 4' minimum, to facilitate assembly and prevent damage to parts or flooring.

Assembly Tips:

- **Identify Each Part:** All pieces are labeled. Match them with the diagrams in the instruction manual.
- **Orient Parts Correctly:** Pay close attention to the orientation of pieces, especially the four end poles and bed racks, as incorrect orientation can lead to reassembly.
- **Hand-Tighten First:** Initially hand-tighten all bolts. Once all components are in place, gradually tighten all bolts securely. Do not overtighten.
- **Wall Attachment:** Utilize the optional wall-mounted bracket to secure the bed to a wall stud for maximum stability.

Image: Close-up showing the high-quality metal tubing and struts, indicating solid construction.

4. Operating Instructions

Once assembled, the Bonnlo Twin Over Twin Bunk Bed is ready for use. Follow these guidelines for safe operation:

- **Accessing the Top Bunk:** Always use the provided ladder to access the top bunk. Do not jump onto or off the

top bunk.

- **Weight Distribution:** Distribute weight evenly on both bunks. Avoid concentrating heavy loads in one area.
- **No Horseplay:** Prohibit rough play, jumping, or swinging on the bunk bed to prevent accidents and damage.
- **Ladder Position:** Ensure the ladder is always securely in place before climbing.

5. Maintenance

Regular maintenance will help prolong the life and safety of your bunk bed.

- **Cleaning:** Wipe down the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary, but do not overtighten.
- **Ladder Inspection:** Inspect the ladder rungs and rubber coverings for wear or damage. Replace if necessary.
- **Structural Integrity:** Regularly inspect the bed frame for any signs of bending, cracks, or structural fatigue. Discontinue use if significant damage is observed and contact customer support.

6. Troubleshooting

This section addresses common issues you might encounter.

- **Bed Feels Wobbly:**
  - Ensure all bolts are securely tightened.
  - Verify that the bed is placed on a flat, even surface.
  - If not already done, attach the optional wall-mounted bracket to a wall stud for added stability.
- **Parts Do Not Fit Together:**
  - Double-check the instruction manual to ensure you are using the correct parts for each step and that they are oriented correctly.
  - Some parts may require slight alignment adjustments during assembly. Avoid forcing parts together.
  - If a part appears to be manufactured incorrectly, contact customer support.
- **Ladder Rungs Feel Uncomfortable or Slippery:**
  - Ensure the anti-slip rubber coverings are properly installed on all ladder steps.
  - If the rubber coverings are worn or missing, contact customer support for replacements.

7. Specifications
