4. SETUP

4.1. Inserting SIM Card(s)

1. Carefully remove the back cover of the phone.
2. If the battery is inserted, remove it.
3. Locate the SIM card slot(s). This phone supports dual SIM cards.
4. Insert your SIM card(s) into the designated slot(s) with the gold contacts facing down, ensuring it clicks into place.

4.2. Inserting the Battery

1. Align the battery contacts with the contacts in the phone's battery compartment.
2. Gently press the battery down until it is securely in place.
3. Replace the back cover, ensuring it snaps shut.

4.3. Charging the Phone

1. Connect the Micro USB charger cable to the charging port located at the top of the phone.
2. Plug the other end of the charger into a power outlet.
3. The phone will indicate that it is charging. Allow the phone to charge fully before first use.

5. BASIC OPERATION

5.1. Power On/Off

- To power on, press and hold the Power/End Call button until the screen lights up.
- To power off, press and hold the Power/End Call button until the power-off options appear, then select 'Power off'.

5.2. Making Calls

1. From the home screen, use the keypad to dial the desired phone number.
2. Press the Call button (usually a green phone icon) to initiate the call.
3. To end a call, press the Power/End Call button (usually a red phone icon).

5.3. Sending Messages

1. Navigate to the 'Messages' menu from the main screen.
2. Select 'Write message' or 'New SMS'.
3. Enter your message using the keypad.
4. Enter the recipient's phone number or select from contacts.
5. Press 'Send'.

5.4. Bluetooth Connectivity

The KECHAODA A26 supports Bluetooth for connecting to other devices, such as headsets or for use as a Bluetooth dialer with a smartphone.

1. Go to 'Settings' and then 'Bluetooth'.
2. Turn Bluetooth 'On'.
3. Search for available devices and select the device you wish to pair with.
4. Follow the on-screen prompts to complete the pairing process.

6. MAINTENANCE

- Keep the phone dry. Moisture can damage the electronic circuits.
- Do not expose the phone to extreme temperatures.
- Use only approved chargers and accessories.
- Clean the phone with a soft, dry cloth. Avoid harsh chemicals.
- Handle the phone with care to prevent physical damage.

7. TROUBLESHOOTING

7.1. Phone does not power on

- Ensure the battery is correctly inserted and charged.
- Connect the charger and try powering on again.

7.2. Cannot make or receive calls

- Check if the SIM card is properly inserted.
- Verify that your SIM card is active and has sufficient balance/plan.
- Ensure you are in an area with network coverage.

7.3. Bluetooth not connecting

- Ensure Bluetooth is enabled on both devices.
- Make sure the devices are within close proximity.
- Try restarting both devices and attempting to pair again.
