DART 10T1-N0198

Instruction Manual

Dart 10T1-N0198 Double Wrapped Paper Bucket

1. PRODUCT OVERVIEW

The Dart 10T1-N0198 Double Wrapped Paper Bucket is a versatile and economical solution designed for various applications, particularly within the hospitality and foodservice industries. This unwaxed, white paper bucket offers a capacity of 165 ounces and comes in a carton of 100 units.

Key features include:

- **Convenient Use:** Popular in hospitality and service settings for its ease of use.
- **Economical Alternative:** Provides a cost-effective option compared to reusable buckets that require cleaning and maintenance.
- **Versatile Application:** Suitable for foodservice purposes, such as serving food items, or as ice buckets.

2. SAFETY INFORMATION

While the Dart 10T1-N0198 paper bucket is designed for general use, please observe the following safety guidelines:

- **Intended Use:** This product is designed for single-use applications in foodservice or as an ice bucket. Do not reuse.
- **Temperature Limits:** Avoid exposing the bucket to extreme temperatures that may compromise its structural integrity.
- **Liquid Containment:** While suitable for liquids like ice, prolonged exposure to hot liquids may affect the paper's durability.
- **Disposal:** Dispose of used buckets responsibly according to local waste management guidelines. This product is noted as compostable.

3. SETUP AND PREPARATION

The Dart 10T1-N0198 paper buckets require minimal setup. They are shipped nested for efficient storage and transport.

1. **Unpacking:** Carefully open the carton containing the buckets.
2. **Inspection:** Before use, visually inspect each bucket for any signs of damage or manufacturing defects. Discard any damaged units.
3. **Separation:** Gently separate individual buckets from the nested stack.
4. **Placement:** Place the buckets in a clean, dry area, ready for use.

4. OPERATING INSTRUCTIONS

Using the Dart 10T1-N0198 paper bucket is straightforward due to its design for single-use convenience.

1. **Filling:** Fill the bucket with the desired contents, such as ice, beverages, or food items. Ensure contents do not exceed the 165 oz capacity to prevent spills.
2. **Handling:** Carry the bucket by its rim or base, ensuring a stable grip, especially when full.
3. **Serving:** Present the bucket as required for its intended purpose.
4. **Disposal:** After use, dispose of the bucket in an appropriate waste receptacle. The product is designed for single use and is compostable.

5. MAINTENANCE AND STORAGE

As a disposable product, the Dart 10T1-N0198 paper bucket requires no maintenance. Proper storage is key to preserving its quality before use.

- **Storage Conditions:** Store cartons of buckets in a cool, dry place away from direct sunlight and moisture.
- **Protection:** Keep the buckets in their original packaging until ready for use to protect them from dust and environmental contaminants.
- **Avoid Punctures:** Do not store near sharp objects that could puncture or damage the buckets.

6. TROUBLESHOOTING

Given the simple nature of this product, troubleshooting is minimal. Most issues relate to improper handling or storage.

Problem	Possible Cause	Solution
Bucket leaks or becomes soggy	Prolonged exposure to liquids, especially hot liquids. Physical damage (puncture, tear). Improper storage leading to moisture absorption.	Ensure contents are within recommended temperature ranges. Handle with care to avoid damage. Store in a dry environment. Discard damaged buckets.
Buckets stick together in stack	Exposure to humidity or moisture during storage.	Store in a cool, dry place. Gently twist to separate.

7. SPECIFICATIONS

Attribute	Detail
Model Number	10T1-N0198
Brand	DART
Capacity (Volume)	165 oz
Material	Paper
Color	White
Type	Double Wrapped Paper Bucket, Unwaxed
Product Dimensions (Carton)	22.38 x 18.19 x 18.19 inches
Item Weight (Carton)	10.31 Pounds
