Portronics MODESK

Portronics MODESK Universal Mobile Holder Stand User Manual

Model: MODESK

1. PRODUCT OVERVIEW

The Portronics MODESK is a premium quality universal mobile holder designed for use on office desks and other flat surfaces. It provides a stable and secure platform for various portable devices, enhancing your viewing experience and accessibility.

Figure 1.1: Front view of the Portronics MODESK Mobile Holder.

Key Features:

- **Universal Compatibility:** Designed to securely hold smartphones and tablets up to 7 inches.
- **Durable Construction:** Features an Aluminum + ABS metallic body, ensuring rust and corrosion resistance.
- **Optimal Viewing Angle:** Angular design provides a comfortable and private viewing angle for calls, messages, and media.
- **Anti-Skid Protection:** Equipped with silicon pads to prevent accidental slips and protect your devices from scratches.
- **Lightweight Design:** Easy to move and position as needed.

2. PACKAGE CONTENTS

Please verify that all items are present in the package:

- 1 x Portronics MODESK Mobile Holder
- 1 x User Manual

3. SETUP INSTRUCTIONS

Setting up your Portronics MODESK mobile holder is straightforward:

1. Choose a flat, stable surface for placement, such as a desk, table, or nightstand.
2. Ensure the chosen surface is clean and free of debris to maximize the effectiveness of the anti-skid pads at the base of the holder.
3. Place the MODESK holder firmly on the desired surface.

Easy to Install

Figure 3.1: Side view of the MODESK holder placed on a desk.

4. OPERATING INSTRUCTIONS

To use your Portronics MODESK mobile holder:

1. Gently place your smartphone or tablet (up to 7 inches) onto the holder's cradle.
2. The angular design will automatically position your device for an optimal viewing angle, suitable for video calls, watching content, or reading.
3. The integrated anti-skid silicon pads will secure your device in place, preventing it from sliding or falling.
4. The design allows for charging your device while it is resting on the holder.

5. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your Portronics MODESK mobile holder, follow these care instructions:

- **Cleaning:** Wipe the holder with a soft, dry, or slightly damp cloth. Avoid using abrasive cleaners, solvents, or harsh

chemicals, as these may damage the finish or the anti-skid pads.

- **Material:** The holder is constructed from an Aluminum + ABS metallic body, which is designed to be rust and corrosion proof.
- **Anti-Skid Pads:** Periodically inspect and clean the silicon pads to maintain their grip and protective qualities. Dust or oil can reduce their effectiveness.
- **Storage:** When not in use for extended periods, store the holder in a cool, dry place away from direct sunlight.

6. TROUBLESHOOTING

Device Instability

If your device feels unstable or slides on the holder:

- Ensure the Portronics MODESK holder is placed on a completely flat and level surface.
- Verify that the anti-skid silicon pads on both the base and the cradle are clean and free from dust, oil, or other residues. Clean them with a damp cloth if necessary.
- Confirm that your device's size is within the supported range (up to 7 inches). Overly large or heavy devices may affect stability.

Scratches on Device

The holder is designed with soft anti-skid silicon pads to prevent scratches. If you notice any marks on your device:

- Ensure your device is placed correctly on the silicon pads and not directly on the metallic frame.
- Inspect the silicon pads for any damage, tears, or embedded foreign particles that could cause scratching.
