

PLUS IS-530CM

PLUS Guard Your ID Advanced 2.0 Identity Theft Protection Roller 3-Pack Instruction Manual

Model: IS-530CM | Brand: PLUS

1. INTRODUCTION

The PLUS Guard Your ID Advanced 2.0 Identity Theft Protection Roller is designed to help you safeguard your personal information. This innovative tool provides a quick, clean, and effective way to obscure sensitive data on various documents, offering an eco-friendly alternative to traditional shredders. By masking your confidential details, you can significantly reduce the risk of identity theft.

Image: The Guard Your ID Advanced 2.0 Identity Theft Protection Roller 3-Pack.

2. SETUP

- Unpack:** Carefully remove the Guard Your ID roller from its packaging.
- Remove Cap:** Twist the bottom cap counter-clockwise to remove it, exposing the roller with its ink pattern. Ensure not to touch the ink directly.
- Initial Use:** The roller is pre-inked and ready for immediate use.

Image: Guard Your ID roller with the protective cap removed, ready for use.

3. OPERATING INSTRUCTIONS

The Guard Your ID roller is designed for simple and effective operation. Follow these steps to protect your information:

1. **Identify Sensitive Information:** Locate any personal or confidential text on your documents that you wish to obscure. This includes names, addresses, account numbers, and other identifying details.
2. **Position the Roller:** Place the roller directly over the text you want to cover.
3. **Roll Firmly:** Apply gentle, even pressure and roll the stamp back and forth over the text. The unique pattern will completely mask the underlying information. For optimal coverage, roll multiple times if necessary.
4. **Allow to Dry:** The specialized ink dries quickly on most standard paper types.
5. **Secure After Use:** After each use, twist the cap back onto the roller tightly to prevent the ink from drying out.

Recommended Applications:

- Bills and Bank Statements
- Credit Card Offers
- Mail and Shipping Labels
- Cashed Checks
- Prescription Bottles
- Tax Documents

Perfect for use on:

Perfect for bills, credit card offers,
tax documents and more.

Image: Demonstrating the use of the roller on an envelope.

4. MAINTENANCE

- **Cap Security:** Always replace the cap tightly after each use to prevent the ink from drying out and to maintain the roller's effectiveness.
- **Storage:** Store the roller in a cool, dry place away from direct sunlight.
- **Refilling:** The Guard Your ID roller is designed for long-lasting use (approximately 1,000 impressions or 100 feet). If refills are available for your specific model, follow the instructions provided with the refill cartridge. Generally, this involves cutting the tip of the refill, filling the capsule, and allowing the ink to sink in horizontally.

5. TROUBLESHOOTING

- **Ink Smudging or Not Drying:**
Cause: Using the roller on certain paper types.
Solution: Avoid using on coated paper, sheet plastic, or similar materials where ink may not dry effectively. Glossy papers (like photo paper) may dry slowly and could allow removal of ink. Paper with rough texture may cause ink blots. The roller is most effective on standard paper and envelopes.
- **Incomplete Coverage:**
Cause: Insufficient pressure or a single pass on dense text.
Solution: Apply firm, even pressure and roll over the text multiple times to ensure complete masking.

- **Roller Not Dispensing Ink:**
Cause: Cap not securely fastened, leading to dried ink, or ink depletion.
Solution: Ensure the cap is always tightly closed after use. If the ink is depleted, consider replacing the roller or refilling if your model supports it.

6. SPECIFICATIONS

Brand	PLUS
Model Number	IS-530CM (Item model number: 60887)
Item Weight	3.2 ounces (for 3-pack)
Product Dimensions	1.5 x 1.5 x 2.69 inches (per roller)
Number of Items	3
Ink Lifespan	Approximately 1,000 impressions or 100 feet
Shelf Life	2 years

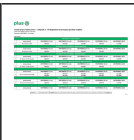

Image: Product dimensions and ink capacity.

7. SAFETY INFORMATION

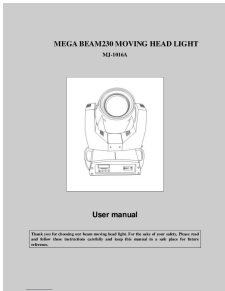

- Keep out of reach of children.
- Avoid direct contact with ink. If ink comes into contact with skin or eyes, rinse thoroughly with water.
- Use in a well-ventilated area.
- Do not ingest.

8. WARRANTY AND SUPPORT

For warranty information or product support, please refer to the documentation included with your purchase or contact PLUS Corporation of America directly. Contact details can typically be found on the manufacturer's official website or product packaging.
