## 4. ASSEMBLY INSTRUCTIONS

Follow these instructions carefully to build your Robotryx Cliffsling. The set allows for three distinct configurations: a robot, a vehicle, and an animal. You can only build one form at a time.

### 4.1 General Building Tips

- Sort pieces by color and size before starting to simplify the building process.
- Refer to the included instruction booklet for detailed, visual step-by-step guides.
- Use the brick separator tool to easily detach connected pieces if you make a mistake or wish to reconfigure your build.

#### **4.3 Building the Vehicle Form**

Once you have disassembled the robot, you can use the same pieces to build the robust construction vehicle. This form features wheels and a crane arm, allowing for dynamic play scenarios.

#### **4.4 Building the Animal Form**

Alternatively, transform your Cliffsling into an agile animal creature. This form encourages creative thinking and offers a different play experience.

#### **4.5 Applying Glow-in-the-Dark Stickers**

The set includes 117 glow-in-the-dark stickers to personalize your creations. Apply them to flat surfaces of the bricks as desired. For best glow effect, expose the stickers to light before viewing in a dark environment.
