

## Lunix LX3-WHITE

# Lunix LX3 Hand Massager User Manual

Model: LX3-WHITE

Brand: Lunix

## INTRODUCTION

---

The Lunix LX3 Hand Massager is designed to provide an intense and adjustable massage experience. It features 6 levels of massage and intensity, heat (providing a gentle warmth around 104°F), vibration, and pressure point compression therapy. This device is intended to relieve muscle pain, arthritis, carpal tunnel, and finger numbness, while improving blood circulation for overall hand wellness.

## SAFETY INFORMATION

---

### Important Safety Precautions:

- Fully charge the hand massager before first use.
- Use the included USB cable and a 5V/1A plug for charging. The device also supports up to a 5V/2A plug for faster charging.
- You may connect it to any USB-compatible power source (e.g., laptop, wall outlet) that meets the required specifications.
- The battery indicator will blink green while charging and display four solid green lights when fully charged.
- For safety reasons, the hand massager cannot be used while charging.

## WHAT'S IN THE BOX?

---

The Linux LX3 Hand Massager unit and its retail packaging.

The box contains the Hand Massager, USB Charging Cable, Travel Bag, User Manual, and a Finger Massager.

## SETUP AND CHARGING

---

Before using your Linux LX3 Hand Massager, ensure it is fully charged.

### Charging Instructions:

- Connect the provided USB charging cable to the massager's charging port.
- Plug the other end of the USB cable into a compatible power source. A 5V/1A plug is recommended, but it supports up to 5V/2A for faster charging.
- The battery indicator lights will blink green during charging and become solid green when fully charged.
- The device cannot be operated while charging.

The massager can be charged using various USB power sources, including laptops, wall plugs, or power banks.

## OPERATING INSTRUCTIONS

---

The Linux LX3 Hand Massager features an intuitive display for easy operation.

### Basic Operation:

1. **Power On/Off:** Press the power button to turn the device on or off.
2. **Select Program:** Choose from 4 available program modes to suit your massage needs.
3. **Adjust Intensity:** Select from 6 intensity levels to control the pressure of the massage.

4. **Heat Function:** Activate the heat option for a gentle warmth (around 104°F) to enhance relaxation and massage benefits.
5. **Vibration Function:** Choose from 2 vibration modes for added relief.
6. **Timer Settings:** The device includes 3 timer settings and an auto-shutoff feature for convenience.

**Why choose Lunix**

	Lunix	Others
FDA Approved	✓	✗
Designed in the US	✓	✗
Customer Support Response < 24hrs	(307) 461-9622	✗
Air Compression Technology by Lunix	✓	✗
Intensity Levels	6	3
LCD Touchscreen Display	✓	✗

Vibration Modes	2	✗
Ergonomic Hand Position	✓	✗
Battery Level Indicator	✓	✗
Including: Travel Bag, Finger Massager, Hand Warmer	✓	✗

The smart and intuitive display allows for easy selection of massage settings.

## ACUPRESSURE TECHNOLOGY

The Lunix LX3 Hand Massager utilizes acupressure therapy by compressing the hand, stimulating acupuncture points, and improving blood circulation. This technology provides a feeling similar to a real hand massage, without a rolling function.

Illustration of the acupressure technology, highlighting how air compression targets pressure points for effective relief.

## BENEFITS AND INDICATIONS

The Lunix LX3 Hand Massager is designed to provide relief for various hand conditions and promote overall wellness.

### Indications for Use:

- Sore Fingers
- Arthritis
- Finger Numbness
- Joint Soreness
- Carpal Tunnel
- General Hand Relaxation
- Cold Hands (with heat function)

The massager is designed to improve health by addressing common hand ailments.

## FINGER MASSAGER

A complementary finger massager is included to provide targeted relief for individual fingers.

The included finger massager can be used for additional targeted relief.

## MAINTENANCE

To ensure the longevity and optimal performance of your LuniX LX3 Hand Massager, follow these general maintenance guidelines:

- Keep the device clean by wiping it with a soft, dry cloth.
- Avoid using abrasive cleaners or solvents.
- Store the massager in its travel bag in a cool, dry place when not in use.
- Protect the device from extreme temperatures and direct sunlight.

## TROUBLESHOOTING

If you encounter any issues with your LuniX LX3 Hand Massager, please refer to the following common troubleshooting tips:

- **Device not turning on or charging:**

- Check the connection between the USB port and the USB charging cable.
  - Ensure the charging plug meets the specified voltage (5V/1A or 5V/2A). Try using a different charging plug or USB port.
  - The device cannot be used while charging.
- **Massage intensity feels too strong or too weak:**
    - Adjust the intensity level using the control panel. The device offers 6 levels of pressure.
    - Ensure your hand is properly positioned within the massager.
- **Heat function not noticeable:**
    - The heat provides a gentle warmth around 104°F. It may take a few minutes to reach optimal temperature.
    - Wearing thin cotton gloves or using a hand warmer can enhance the sensation of heat.

For more detailed troubleshooting, please refer to the official [Troubleshooting Guide \(PDF\)](#) or the comprehensive [Online User Manual](#).
