MEE audio EP-X5G2-GM

MEE audio X5-G2-2019 Wireless In-Ear Sport Headphones

USER MANUAL

Model: EP-X5G2-GM

1. Setup

1.1 Package Contents

Verify that all items are present in your product packaging:

- X5 Wireless In-Ear Headset
- Micro-USB Charging Cable
- Eartips (4 sizes)
- Ear Fins
- User Manual

Image: Retail packaging of the MEE audio X5-G2-2019 headphones, showing the product and accessories.

1.2 Charging the Headphones

Before first use, fully charge the headphones. Connect the supplied Micro-USB charging cable to the charging port on the control module and plug the other end into a USB power source (e.g., computer USB port or wall adapter). The LED indicator will show charging status.

1.3 Wearing the Headphones

The X5-G2-2019 headphones are designed for a secure and comfortable fit. Experiment with the different sizes of eartips and ear fins to find the best seal and stability for your ears. The ergonomic design ensures they stay in place during physical activity.

1.4 Bluetooth Pairing

1. Ensure the headphones are charged and turned off.
2. Press and hold the multi-function button on the control module until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for new devices.
4. Select "MEE audio X5-G2-2019" from the list of available devices.
5. Once connected, the LED indicator will flash blue periodically.

2. Operating the Headphones

2.1 Controls Overview

The X5-G2-2019 features an integrated remote and microphone for convenient control of calls and music playback.

Image: Close-up of the MEE audio X5-G2-2019 headphones showing the inline control module with volume and multi-function buttons.

- **Multi-function Button:** Power on/off, play/pause, answer/end calls.
- **Volume Up (+):** Increase volume, next track (long press).
- **Volume Down (-):** Decrease volume, previous track (long press).

2.2 Power On/Off

- **Power On:** Press and hold the multi-function button until the LED flashes blue.
- **Power Off:** Press and hold the multi-function button until the LED flashes red and turns off.

2.3 Music Playback

- **Play/Pause:** Press the multi-function button once.
- **Next Track:** Long press the Volume Up (+) button.
- **Previous Track:** Long press the Volume Down (-) button.

2.4 Call Management

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button.

3. Maintenance

3.1 Cleaning

Clean the headphones regularly with a soft, damp cloth. Do not use harsh chemicals or abrasive materials. Remove eartips and clean them separately with mild soap and water if necessary, ensuring they are completely dry before reattaching.

3.2 Storage

When not in use, store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. The magnetic earpieces allow for tangle-free storage around your neck or in a pouch.

3.3 Water and Sweat Resistance

The MEE audio X5-G2-2019 headphones feature an IPX5 sweat and weather-resistant design, protecting them from splashes and sweat. Do not submerge the headphones in water or expose them to running water.

4. Troubleshooting

4.1 Common Issues and Solutions

- **No Power:** Ensure the headphones are fully charged. Connect to a power source and check the charging indicator.
- **Cannot Pair:** Ensure the headphones are in pairing mode (flashing blue and red). Turn off and on your device's Bluetooth. Try forgetting the device on your phone and re-pairing.
- **No Sound:** Check the volume level on both the headphones and your connected device. Ensure the headphones are properly paired and connected.
- **Poor Sound Quality:** Ensure the eartips provide a good seal in your ear. Move closer to your connected device to avoid interference.

5. Specifications

Brand	MEE audio
Model Name	EP-X5G2-GM
Model Number	EP-X5G2-GM
Connectivity Technology	Wired, Wireless
Wireless Communication Technology	Bluetooth
Ear Placement	In-Ear
Form Factor	In-Ear
Headphone Jack	Micro USB
Color	Gunmetal
Product Dimensions	2 x 2 x 2 cm; 50 Grams
Batteries	1 Lithium-Polymer Battery required (included)
