Osmo Genius Starter Kit for iPad & iPhone User Manual

Model: 901-00011

1. INTRODUCTION

The Osmo Genius Starter Kit for iPad & iPhone transforms your device into a hands-on learning tool, combining physical play with digital interaction. Designed for children aged 6-10, this kit offers five educational games that cover subjects like math, spelling, creativity, and problem-solving. Children interact with physical game pieces, and the Osmo Base and Reflector allow the device to 'see' and react to their real-life movements, bringing their creations and actions to life on screen.

4. SETUP INSTRUCTIONS

Follow these steps to set up your Osmo Genius Starter Kit:

1. **Place your device in the Osmo Base:** Ensure your iPad or iPhone is securely seated in the white Osmo Base. The device should be positioned vertically.

2. **Attach the Reflector:** Gently place the red Osmo Reflector over the top edge of your device, ensuring it covers the front-facing camera. The reflector is crucial for the Osmo system to 'see' the physical game pieces on your table.

3. **Download Osmo Apps:** Search for
