OPERATING INSTRUCTIONS

- **Cleaning:** The bottle itself does not require cleaning. Ensure the cap is securely closed after each use to prevent leakage and maintain freshness.

TROUBLESHOOTING

If you encounter any issues or have questions regarding your MiO Liquid Water Enhancer, consider the following:

- **Flavor Too Strong/Weak:** Adjust the amount of MiO dispensed. For a stronger flavor, add more; for a milder flavor, add less or more water.
- **Product Not Dispensing:** Ensure the flip-top cap is fully open and the nozzle is clear. A gentle squeeze should release the liquid.
- **Cloudiness in Water:** This is normal as the concentrate mixes with water. Stirring or shaking will help it dissolve completely.
