Sluban M38-B0693

Sluban German Tank Building Blocks M38-B0693 Instruction Manual

Model: M38-B0693 | Brand: Sluban

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly and use of the Sluban German Tank Building Blocks set, model M38-B0693. This construction kit allows you to build a detailed German tank model using 543 interlocking plastic bricks. It is designed to foster imagination and provide an engaging building experience.

2. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play for younger children.
- For external use only.
- Avoid eye contact with any small components.
- Keep away from open flames or direct heat sources to prevent damage or melting of plastic parts.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly.

- 1 x Sluban German Tank Building Kit (M38-B0693)
- 543 interlocking building bricks
- 1 x Detailed instruction manual for assembly

4. SETUP AND ASSEMBLY

The assembly process is guided by the included instruction manual. Follow the steps carefully for correct construction.

1. **Unpack:** Carefully open the packaging and remove all building bricks and the instruction manual.

2. **Sort:** It is recommended to sort the bricks by color and size before starting to facilitate the building process.
3. **Follow Instructions:** Refer to the step-by-step diagrams in the provided instruction manual. Each step illustrates which bricks to use and where to place them.
4. **Firm Connections:** Ensure each brick is pressed firmly into place to create stable connections.

Image: Detailed dimensions of the two buildable tank models (18.7 cm / 7.36 in and 19.7 cm / 7.75 in) and the soldier figures.

5. OPERATING INSTRUCTIONS

Once assembled, the Sluban German Tank model is ready for imaginative play.

- The tank features movable parts, such as the turret and tracks, allowing for dynamic play scenarios.
- The set includes soldier figures and accessories to enhance the play experience.
- This kit offers a 2-in-1 building option, allowing you to construct one of two different tank models with the same set of bricks.

Image: Various detailed views of the tank model, showing a soldier figure, a motorcycle accessory, and the alternative self-propelled gun build.

Image: The two distinct tank models that can be built from the set, shown from different perspectives, demonstrating their movable components.

6. MAINTENANCE

To ensure the longevity of your Sluban building blocks, follow these maintenance guidelines:

- **Cleaning:** Clean the blocks with a soft, damp cloth. Do not use abrasive cleaners or harsh chemicals, as these can damage the plastic.
- **Storage:** Store the assembled model or loose bricks in a cool, dry place, away from direct sunlight and extreme temperatures. This helps prevent discoloration and warping.
- **Disassembly:** If disassembling the model, do so carefully to avoid stressing or breaking the connection points of the bricks.

7. TROUBLESHOOTING

- **Missing Parts:** If you discover any missing parts upon opening the box, please refer to the parts list in the instruction manual and contact Sluban customer support for assistance.
- **Loose Connections:** If parts do not connect securely, ensure they are aligned correctly and apply firm, even pressure. Some connections may require more force than others.
- **Difficulty Following Instructions:** Review the diagrams carefully. If a step is unclear, try re-examining previous steps or looking ahead to see the final placement.

8. SPECIFICATIONS

Brand	Sluban
-------	--------

Model Number	M38-B0693
Model Name	Sluban Grand Char Allemand (German Tank)
Number of Pieces	543
Material	Plastic
Color	Multi Colour
Item Dimensions (L x W x H)	42.5 x 28.5 x 6.7 cm
Item Weight	200 Grams
Recommended Minimum Age	36 Months (3 years)
Recommended Maximum Age	72 Months (6 years)
Educational Objective	Imagination Development
Theme	Military / Tank
Special Feature	Easy to store
Kit Product?	Yes
Operating Mode	Manual
Number of Players	1
Country of Origin	China
