Getting Started

1. Carefully open the packaging.
2. Identify the color-coded compartments for each Eevee evolution. Each compartment contains the necessary pieces and instructions for that specific character.
3. Ensure all pieces are accounted for before beginning assembly. Refer to the parts list in the included instructions.
4. Prepare a clean, flat workspace to prevent loss of small parts.

BUILDING INSTRUCTIONS

General Assembly Tips

Follow the detailed, color-coded instructions provided with each character's building compartment. Pay close attention to the diagrams to ensure correct piece placement. Some pieces may require firm but gentle pressure to snap into place.

CARE AND MAINTENANCE

To ensure the longevity of your MEGA Pokémon figures, follow these care instructions:

- **Cleaning:** Wipe figures gently with a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store figures and unbuilt pieces in a cool, dry place away from direct sunlight and extreme temperatures. Keep small parts in their designated compartments or a secure container to prevent loss.
- **Handling:** While figures are articulated, avoid excessive bending or twisting of joints to prevent breakage.

TROUBLESHOOTING

If you encounter any issues with your MEGA Pokémon Eevee Evolution Building Set, please refer to the common solutions below:

Problem	Possible Cause / Solution
Missing Pieces	Double-check all packaging and compartments. Small pieces, especially accessories, might be sealed in separate bags within the main compartment. If pieces are genuinely missing, contact customer support.
Figures Fall Apart Easily	Ensure all pieces are fully snapped into place. Apply firm, even pressure until you hear or feel a click. Avoid rough play, as these figures are designed for display and gentle interaction.
Difficulty Assembling a Section	Refer to the specific step in the instruction manual. Ensure you are using the correct pieces and orienting them as shown in the diagrams. Sometimes, rotating a piece 180 degrees can make a difference.
