Key Features:

- **Hi-Res Audio:** Custom oversized 40 mm dynamic drivers produce Hi-Res sound with extended high frequencies

up to 40 kHz for extraordinary clarity.

- **Hybrid Active Noise Cancellation:** Fine-tuned 4 built-in ANC microphones and a digital algorithm detect and cancel out a wide range of low and mid-frequency noises by up to 90%.
- **BassUp Technology:** Exclusive technology analyzes low frequencies in real-time to instantly strengthen bass output for an amplified listening experience.
- **Extended Playtime:** Up to 50 hours of non-stop playtime in wireless active noise cancellation mode, extending to 70 hours in standard music mode.
- **All-Day Comfort:** Designed with multi-angle rotation, breathable mesh, and memory foam ear cups with a soft protein leather cover for prolonged wear.

What's Included

Your Soundcore Life Q20 package contains the following items:

- Soundcore Life Q20 Headphone x1
- Charging Cable x1
- AUX Cable x1
- Travel Pouch x1

Setup Guide

Bluetooth Pairing:

1. Ensure your headphones are fully charged.
2. Press and hold the power button on the headphones until the LED indicator flashes blue, indicating pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Soundcore Life Q20" from the list of found devices to connect.
5. Once connected, the LED indicator will turn solid blue.

Battery Life:

The Soundcore Life Q20 headphones offer impressive battery performance:

- Up to 50 hours of playtime with Active Noise Cancellation enabled.
- Up to 70 hours of playtime in standard music mode (ANC off).
- A quick 5-minute charge provides 4 hours of listening time.

Care and Maintenance

- Clean the headphones regularly with a soft, dry cloth.
- Avoid exposing the headphones to extreme temperatures, humidity, or liquids.
- Store the headphones in the provided travel pouch when not in use to protect them from dust and scratches.
- Do not attempt to disassemble or modify the headphones, as this will void the warranty.

Troubleshooting

Common Issues and Solutions:

- **No Power:** Ensure the headphones are charged. Connect them to a power source using the provided charging cable.

- **Cannot Pair:** Make sure Bluetooth is enabled on your device and the headphones are in pairing mode (flashing blue LED). If issues persist, try forgetting the device on your phone and re-pairing.
- **No Sound:** Check the volume levels on both your headphones and your connected device. Ensure the headphones are correctly paired.
- **Poor Sound Quality:** Move closer to your connected device to avoid interference. Ensure there are no obstructions between the headphones and the device.
