JEKCA 04S-M02

JEKCA Welsh Corgi 04S-M02 Building Block Set Instruction Manual

Model: ST19WC04-M02

INTRODUCTION

This manual provides detailed instructions for assembling and maintaining your JEKCA Welsh Corgi 04S-M02 building block set. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This set is designed for individuals aged 14 years and above.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is not suitable for children under 3 years of age. Recommended for individuals aged 14 years or above.

WHAT'S INCLUDED

Before starting, please verify that all components are present in your package:

- Bricks (over 960 pieces)
- Instruction Manual
- Pins
- Pin Driver
- Quick Guide

ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your JEKCA Welsh Corgi model. The JEKCA system utilizes a patented interlocking brick-through technology for a sturdy construction.

Step 1: Understand the Interlocking System

JEKCA bricks are designed to interlock securely using pins. This system ensures the stability and durability of your finished model.

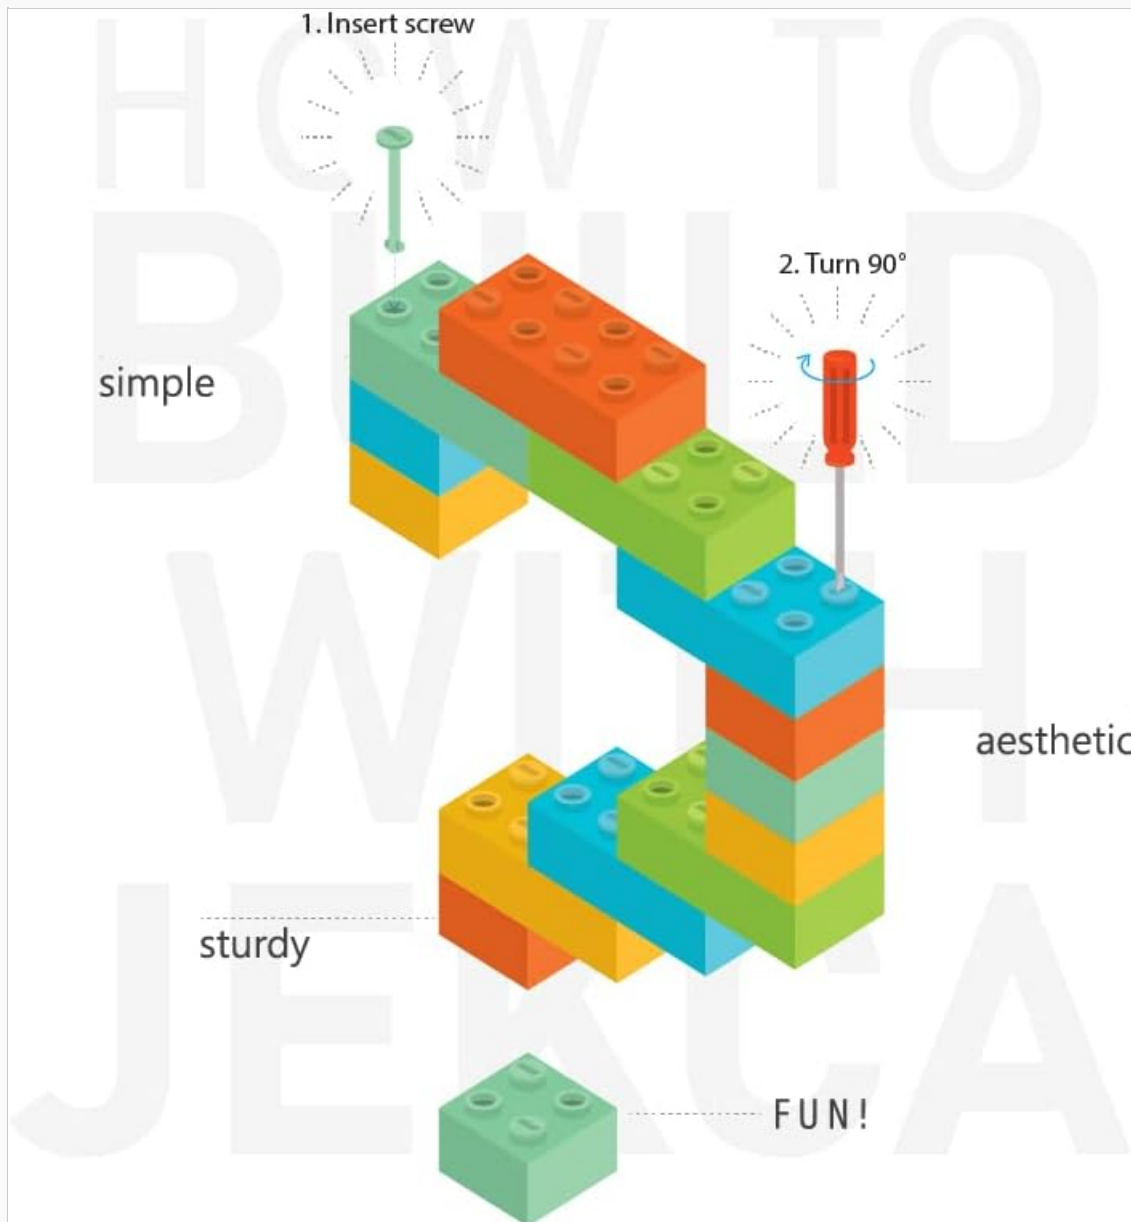

Image: Illustration of the JEKCA interlocking mechanism. Step 1 shows inserting a pin into a brick, and Step 2 shows turning the pin 90 degrees with a driver to secure the connection.

To connect two bricks:

1. Align the bricks you wish to connect.
2. Insert a pin through the designated holes in the bricks.
3. Using the provided pin driver, turn the pin 90 degrees to lock the bricks together. This creates a strong, stable bond.

Image: Detailed view of the patented interlocking brick-through technology, highlighting the secure connection formed by pins.

Step 2: Follow the Included Building Manual

Your JEKCA set comes with a comprehensive building manual. This manual contains step-by-step diagrams and instructions specific to the Welsh Corgi 04S-M02 model. Refer to it for the exact placement of each brick and pin.

- Organize your bricks by color and size to make the assembly process easier.
- Work through the manual page by page, ensuring each connection is firm before proceeding.
- Use the pin driver to secure all connections as instructed.

Finished Model Overview

Upon successful completion of all steps in the building manual, your JEKCA Welsh Corgi model will be complete. The finished model is sturdy and designed for display.

OPERATION AND DISPLAY

The JEKCA Welsh Corgi model is a static display piece. Once assembled, it does not require any operational steps. Place your finished model on a stable, flat surface away from direct sunlight and extreme temperatures to preserve its condition.

CARE AND MAINTENANCE

To keep your JEKCA model looking its best:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. For more stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** If disassembling for storage, keep all bricks, pins, and the pin driver in a secure container to prevent loss.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or solvents, as these can damage the plastic bricks.

TROUBLESHOOTING

If you encounter any issues during assembly:

- **Missing Pieces:** Double-check all packaging materials. If pieces are genuinely missing, contact JEKCA customer support.

- **Bricks Not Fitting:** Ensure you are using the correct bricks as indicated in the manual. Verify that pins are inserted and turned correctly to secure connections.
- **Model Instability:** Review previous steps to ensure all pins are securely locked. The JEKCA system is designed for stability when correctly assembled.

PRODUCT SPECIFICATIONS

Feature	Detail
Model Name	Welsh Corgi 04S-M02
Model Number	ST19WC04-M02
