REVLON So Fierce! Vinyl Eyeliner, 860 Midnight Mystery User Manual

Brand: REVLON | Model: 309970034757

1. INTRODUCTION

This user manual provides comprehensive instructions for the REVLON So Fierce! Vinyl Eyeliner in 860 Midnight Mystery. This product is designed to deliver a bold, shiny vinyl finish with long-lasting wear. Please read this manual thoroughly to ensure proper use and care of your eyeliner.

2. PRODUCT OVERVIEW

The REVLON So Fierce! Vinyl Eyeliner is a waterproof gel pencil designed for smooth application and a high-shine finish. The 860 Midnight Mystery shade offers a deep, intense black color. Its long-wearing formula is intended to last for up to 16 hours without smudging.

Image 2.1: REVLON So Fierce! Vinyl Eyeliner in 860 Midnight Mystery. This image shows the full pencil eyeliner with its sleek black design and red branding.

Image 2.2: Close-up view of the eyeliner tip, highlighting the precise point for application and the rich black color.

Image 2.3: A model's eye with the eyeliner expertly applied, demonstrating the bold and defined look it creates.

Image 2.4: An icon illustrating the product's claim of up to 16 hours of wear, emphasizing its long-lasting properties.

3. SETUP

Before applying the eyeliner, ensure your eyelids are clean and dry. For optimal results, apply eyeshadow and primer (if desired) before using the eyeliner.

4. OPERATING INSTRUCTIONS

Follow these steps for precise application:

1. **Prepare the Tip:** Ensure the eyeliner tip is sharp for a fine line. If needed, sharpen the pencil as described in the Maintenance section.
2. **Upper Lash Line:** Gently pull your eyelid taut. Starting from the inner corner of your eye, draw a line along your upper lash line, moving towards the outer corner. For a winged look, extend the line slightly upwards and outwards at the outer corner.
3. **Lower Lash Line (Optional):** For added definition, lightly apply the eyeliner along your lower lash line, either from the outer corner inwards or just along the outer third of the lash line.
4. **Waterline (Optional):** For an intense look, carefully apply the eyeliner to your upper or lower waterline.
5. **Smudge (Optional):** For a softer, smoky effect, gently smudge the freshly applied line with a brush or fingertip before it sets.

The gel formula glides smoothly, allowing for easy and precise application.

5. MAINTENANCE

To maintain the performance of your REVLON So Fierce! Vinyl Eyeliner:

- **Sharpening:** This is a pencil eyeliner and requires sharpening. Use a high-quality cosmetic sharpener for best results.

If the tip becomes too soft or brittle, place the eyeliner in a freezer for 5-10 minutes before sharpening to harden the formula and prevent breakage.

- **Storage:** Store the eyeliner in a cool, dry place with the cap securely closed to prevent drying out and maintain product integrity.
- **Hygiene:** To prevent eye infections, avoid sharing your eyeliner with others. If you experience any eye irritation, discontinue use.

6. TROUBLESHOOTING

- **Eyeliner not gliding smoothly:** Ensure the tip is sharp. If the product feels dry, it might be old or improperly stored.
- **Eyeliner smudges or fades:** While designed for long wear and water resistance, external factors like excessive rubbing or oily skin can affect longevity. Ensure your eyelids are clean and consider using an eye primer.
- **Difficulty sharpening:** Refer to the sharpening tips in the Maintenance section, especially the freezer method for softer formulas.

7. SPECIFICATIONS

Feature	Detail
Product Name	REVLON So Fierce! Vinyl Eyeliner
Shade	860 Midnight Mystery (Black)
Item Model Number	309970034757
Brand	REVLON
Item Form	Pencil
Finish Type	Shiny Vinyl
Special Features	Waterproof, Long-wearing (up to 16 hours), Smooth-gliding
Item Weight	0.91 g (0.03 ounces)
Dimensions	0.56 x 1.94 x 5.75 inches
Manufacturer	Revlon Consumer Products Corp.

8. INGREDIENTS

Water, Cyclopentasiloxane, Isododecane, Dimethicone, Polybutene, PVP, Phenoxyethanol, Sodium Chloride, Sodium Dehydroacetate, Disodium EDTA, Iron Oxides (CI 77491, CI 77492, CI 77499), Titanium Dioxide (CI 77891), Mica (CI 77019), Caprylyl Glycol, BHT.
