1.1 What's in the Box

Before you begin, please verify that all components are present in your package:

- Instruction Manual
- Bricks (over 1130 pieces)
- Pins
- Pin Driver
- Quick Guide

2. SAFETY INFORMATION

WARNING: Small Parts inside. Not suitable for children under 14 years of age due to choking hazards. Recommended for individuals 14 years or above.

Always keep small parts away from young children and pets. Ensure a clean and organized workspace to prevent loss of small components.

3. ASSEMBLY INSTRUCTIONS

The JEKCA building system utilizes a patented interlocking brick-through technology, ensuring a sturdy and durable final sculpture. Follow the detailed, step-by-step instruction manual included in your package for precise assembly.

3.1 Understanding the Interlocking System

JEKCA bricks are designed to interlock securely using pins. This system creates a robust structure that is not prone to breaking apart easily, eliminating the need for glue.

3.2 Step-by-Step Assembly Process

Refer to the dedicated instruction manual provided in your kit for the complete assembly sequence. Each step is clearly illustrated to guide you through the construction of your Cavalier King Charles Spaniel sculpture.

1. **Identify Components:** Familiarize yourself with the different brick types, pins, and the pin driver.
2. **Follow the Manual:** Proceed through the included instruction manual page by page. Each step will show which bricks to use and where to place them.
3. **Use the Pin Driver:** Insert the pins into the designated holes to secure the bricks. The pin driver tool is essential for pushing the pins firmly into place, ensuring a tight fit.
4. **Layer by Layer:** Build the sculpture layer by layer, ensuring each section is stable before proceeding to the next.

The interlocking design ensures that once assembled, the sculpture is sturdy and durable.

4. MAINTENANCE

To maintain the appearance of your JEKCA sculpture, follow these simple guidelines:

- **Cleaning:** Dust the sculpture regularly with a soft, dry cloth. For deeper cleaning, gently wipe with a damp cloth and mild soap, then dry immediately. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the sculpture in a stable location away from direct sunlight or extreme temperatures to prevent material degradation.

5. TROUBLESHOOTING

Should you encounter any issues during assembly or with your completed sculpture, consider the following:

- **Missing Pieces:** Carefully re-check the packaging and your workspace. If pieces are genuinely missing, contact JEKCA customer support with details of the missing components.
- **Difficulty Interlocking Bricks:** Ensure pins are fully inserted using the provided pin driver. If a brick does not fit, verify you are using the correct brick type and orientation as per the manual.
- **Unstable Sections:** Re-examine the preceding steps in the instruction manual to ensure all pins are correctly placed and bricks are firmly interlocked.
