

JEKCA ST19CC02-M04

JEKCA Chow Chow 02S-M04 Building Blocks Instruction Manual

Model: ST19CC02-M04

1. Introduction

Thank you for choosing the JEKCA Chow Chow 02S-M04 building block set. This manual provides detailed instructions for assembling your plastic brick sculpture, ensuring a sturdy and enjoyable building experience. This set is designed for individuals aged 14 years and above.

2. Safety Information

Warning: Small Parts inside. Recommended for 14 years or above.

Keep small parts away from young children to prevent choking hazards. Always follow the assembly instructions carefully.

3. Package Contents

Before you begin, please verify that all components are present in your package:

- Instruction Manual
- Building Bricks (over 2710 pieces)
- Pins
- Pin Driver
- Quick Guide

4. Setup and Assembly

The JEKCA building system utilizes a patented interlocking brick-through system for enhanced stability. Follow these steps to assemble your Chow Chow sculpture:

1. **Prepare Your Workspace:** Ensure a clean, flat, and well-lit area for assembly. Organize your bricks by color and size if necessary.
2. **Understand the Interlocking System:** JEKCA bricks are secured using pins inserted through the bricks. The pin driver is essential for this process.

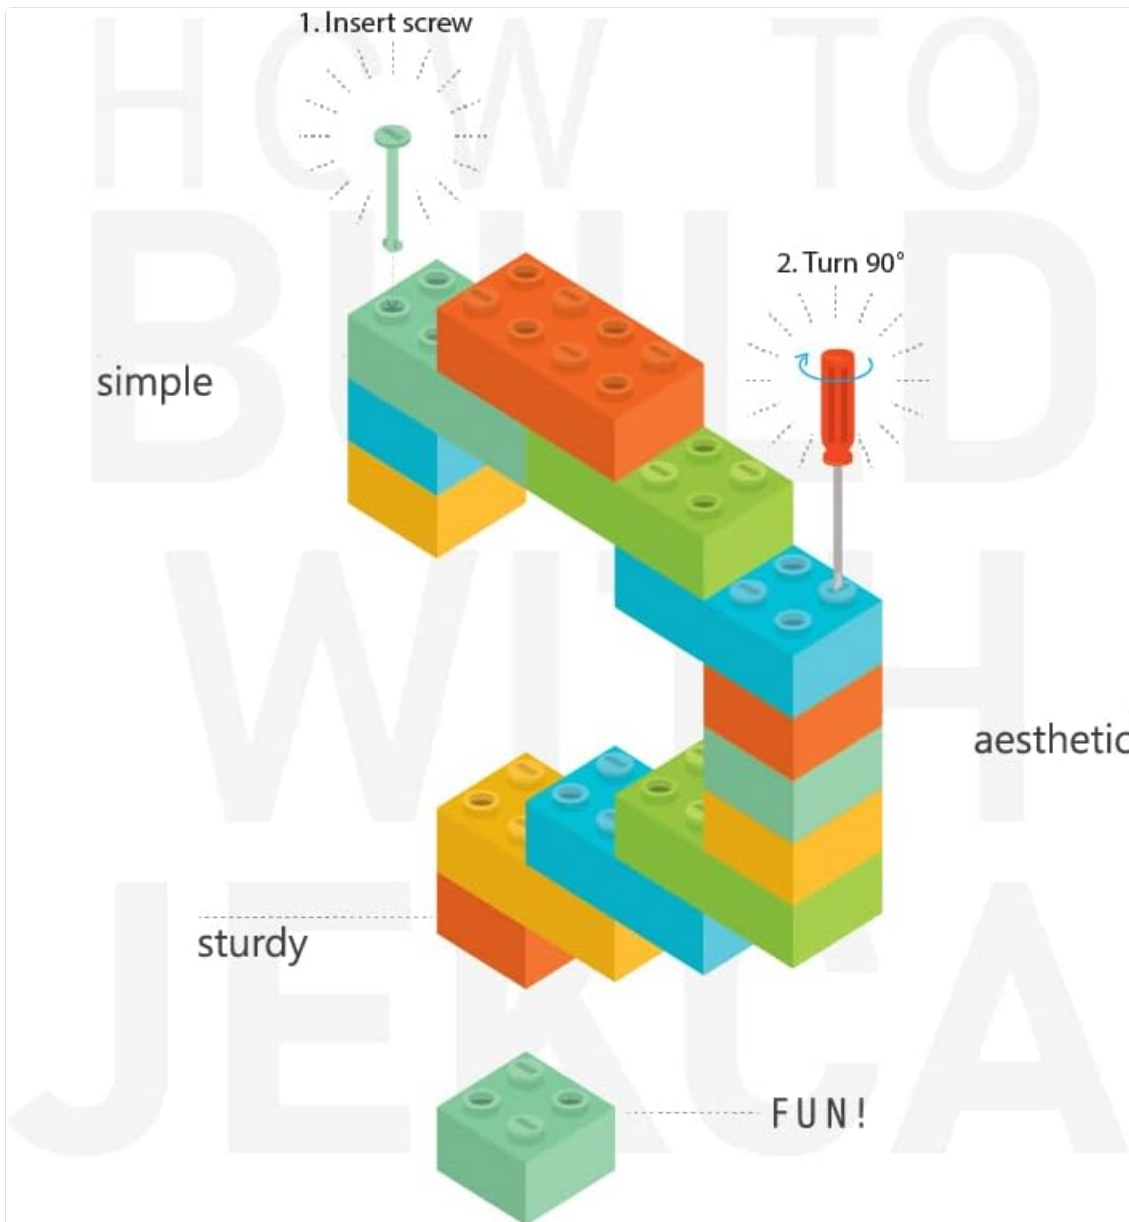

Figure 1: Illustration of the JEKCA interlocking system. Insert the pin and turn 90 degrees to secure the bricks.

3. **Follow the Instruction Manual:** Refer to the detailed building manual included in your package. Each step will guide you on which bricks to use and where to place the pins.
4. **Secure Bricks with Pins:** Insert the provided pins into the designated holes. Use the pin driver to turn the pins 90 degrees, locking the bricks firmly in place. This ensures the sculpture is sturdy and not easily broken apart.

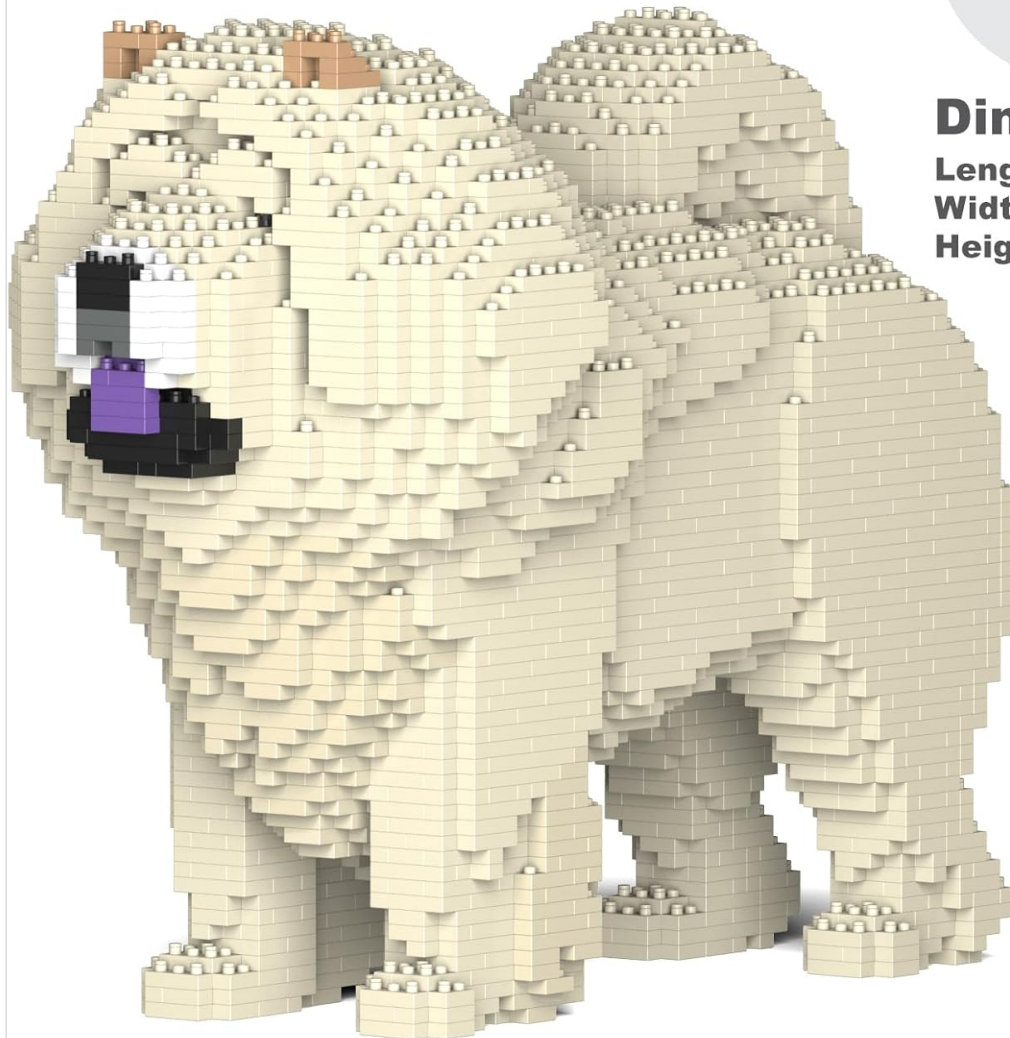

Figure 2: Step-by-step visual guide for connecting JEKCA bricks using pins and the pin driver.

5. Operating (Building Process)

The primary operation of this product is the assembly of the sculpture. The JEKCA Brick-through Interlocking System ensures that once assembled, the structure is robust and stable. Take your time with each step, ensuring pins are correctly inserted and turned to achieve the desired rigidity.

6. Maintenance

To maintain the appearance and integrity of your JEKCA sculpture:

- **Cleaning:** Dust the sculpture regularly with a soft, dry cloth. For deeper cleaning, gently wipe with a damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals or abrasive materials.

- **Storage:** If disassembling for storage, keep all bricks and pins organized to prevent loss. Store in a cool, dry place away from direct sunlight to prevent material degradation.
- **Handling:** While sturdy, avoid dropping or applying excessive force to the assembled sculpture to prevent bricks from detaching.

7. Troubleshooting

- **Bricks Not Fitting:** Ensure you are using the correct bricks for each step as indicated in the manual. Verify that no debris is obstructing the connection points.
- **Pins Not Locking:** Make sure the pin is fully inserted before attempting to turn it 90 degrees with the pin driver. If resistance is met, do not force it; re-check brick alignment.
- **Sculpture Feels Unstable:** Double-check all pin connections. The patented interlocking system provides significant stability when correctly assembled. Ensure every required pin is in place and turned to lock.
- **Missing Pieces:** In the event of missing components, please contact JEKCA customer support with your product model number and details of the missing parts.

8. Specifications

Feature	Detail
Product Dimensions	13.54 x 6.65 x 10.67 inches
Item Weight	4.4 pounds
Item Model Number	ST19CC02-M04
Manufacturer Recommended Age	14 years and up
Number of Pieces	>2710 pieces
Manufacturer	JEKCA Limited

9. Warranty Information

Specific warranty details are not provided with this product. For information regarding potential warranties or guarantees, please contact JEKCA customer support directly.

10. Support

For further assistance, inquiries about missing parts, or any other support needs, please visit the official JEKCA store or contact their customer service department.
