COMHOMA Recliner Chair Instruction Manual

Model: JY-CA-H7134 | Brand: COMHOMA

PRODUCT OVERVIEW

The COMHOMA Recliner Chair is designed for ultimate relaxation and comfort. This versatile chair features a 360° swivel function, rocking capability, and integrated heat and massage functions. It also includes convenient cup holders and side pockets for storage, making it an ideal addition to any living room, bedroom, or home theater.

SETUP AND ASSEMBLY

The COMHOMA Recliner Chair is designed for easy assembly. All necessary components and clear instructions are included to ensure a smooth setup process. It is recommended to have two people for certain assembly steps due to the chair's weight.

For detailed step-by-step assembly instructions, please refer to the official Installation Manual (PDF) provided with your purchase or available for download from the product's Amazon page.

OPERATING INSTRUCTIONS

Reclining and Swivel Functions

To recline the chair, locate the lever on the side of the chair and pull it to extend the footrest. Lean back to achieve your desired reclining angle. The chair also features a 360° swivel base, allowing you to easily rotate without moving the entire chair. The rocking function provides gentle motion for added comfort.

ROCKING FUNCTION

Heat and Massage Features

The recliner is equipped with relaxing massage and gentle warmth functions. Use the wired remote control to activate and customize these features. The remote allows you to select different massage modes (pulse, press, wave, auto, normal), adjust intensity (high/low), and target specific body areas (back, lumbar, thigh, leg). The heat function provides soothing warmth to the lumbar area.

Storage and Convenience

The chair includes built-in cup holders on both armrests to securely hold your beverages. Side pockets are also integrated into the design, offering convenient storage for remote controls, magazines, or other small essentials, keeping them within easy reach.

CARE AND MAINTENANCE

To maintain the quality and appearance of your COMHOMA Recliner Chair, regularly wipe the PU leather surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material. For spills, blot immediately with a clean, dry cloth. Keep the chair away from direct sunlight and heat sources to prevent fading or cracking of the material.

TROUBLESHOOTING

If you encounter any issues with your recliner chair, please refer to the following general troubleshooting tips:

- **Power Issues:** Ensure all power cables are securely connected to the chair and a working power outlet. Check for any tripped circuit breakers.
- **Reclining Mechanism:** If the reclining mechanism is stiff or not engaging, ensure no obstructions are preventing movement. Apply gentle pressure to the footrest to fully extend or retract.
- **Massage/Heat Function:** Verify the remote control is properly connected and the power is on. Check the remote's settings for desired mode and intensity.
- **Noise:** Minor noises during operation are normal. If unusual or loud noises occur, inspect the chair's frame and moving parts for any loose components.

For persistent issues or complex problems, please contact COMHOMA customer support.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	COMHOMA
Model Name	recliner chair (JY-CA-H7134)
Color	White
