## JEKCA ST19TPD05-M03

# JEKCA Toy Poodle 05S-M03 Building Blocks Instruction Manual

Model: ST19TPD05-M03

## 1. INTRODUCTION

---

This manual provides comprehensive instructions for assembling your JEKCA Toy Poodle 05S-M03 building block model. Designed for individuals aged 14 and above, this kit allows you to construct a detailed and sturdy Toy Poodle figure using JEKCA's unique interlocking brick system. Please read all instructions carefully before beginning assembly.

The completed model will be a robust and visually appealing representation of a Toy Poodle, measuring approximately 9.57 x 4.65 x 6.69 inches and weighing 1.77 pounds.

## 2. WHAT'S IN THE BOX

---

Before you begin, please verify that all components are present in your package:

- Instruction Manual
- Building Bricks (over 910 pieces)
- Pins
- Pin Driver
- Quick Guide

## 3. SETUP AND ASSEMBLY

---

Assembly of your JEKCA Toy Poodle model utilizes a patented interlocking brick-through system, ensuring a sturdy and durable final structure. Follow the steps below for successful construction.

### 3.1 Understanding the Interlocking System

JEKCA bricks are designed to interlock securely using pins. This system provides exceptional stability compared to traditional building blocks.

Image: Illustration of the JEKCA interlocking brick system, demonstrating how pins connect multiple bricks for enhanced stability.

### 3.2 Assembly Steps

Refer to the included detailed instruction manual for step-by-step visual guidance. The general process involves:

1. **Step 1: Connect Bricks** - Align the studs of one brick with the holes of another.
2. **Step 2: Insert Pins** - Use the provided pins to secure the connected bricks. The pins pass through the aligned holes.
3. **Step 3: Drive Pins** - Use the pin driver tool to gently push the pins fully into place, ensuring a tight fit. The pins should be inserted at a 90-degree angle to ensure proper locking.

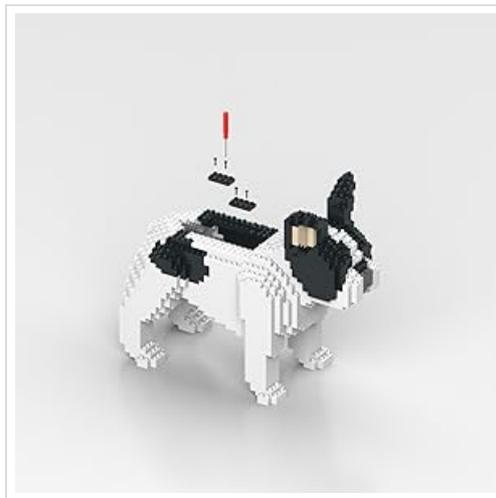

Image: A visual guide illustrating the three key steps for interlocking JEKCA bricks: aligning, inserting pins, and driving pins with the tool.

Proceed through the instruction manual page by page, carefully following the diagrams and piece counts for each section. Take your time to ensure each connection is secure.

## 4. MAINTENANCE

---

To keep your JEKCA Toy Poodle model in optimal condition:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For deeper cleaning, use a slightly damp cloth with mild soap and water, then wipe dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model in a stable location away from direct sunlight and extreme temperatures to prevent material degradation or discoloration.
- **Disassembly:** If you need to disassemble the model, carefully use the pin driver to remove the pins. Avoid forcing connections to prevent damage to the bricks.

## 5. TROUBLESHOOTING

---

If you encounter any issues during assembly or with the completed model, consider the following:

- **Loose Connections:** Ensure pins are fully inserted using the pin driver. If a pin feels loose, try rotating it slightly or replacing it with another pin from your kit.
- **Missing Pieces:** Double-check the packaging and your work area. If a piece is genuinely missing, contact JEKCA customer support with your model number and the specific piece required.
- **Difficulty Aligning Bricks:** Ensure you are using the correct bricks as indicated in the manual.

Sometimes, a slight adjustment or gentle pressure is needed to align studs and holes.

- **Model Instability:** Review previous steps to confirm all pins are correctly and fully inserted. The interlocking system provides significant stability, so instability often indicates an incomplete connection.

## 6. SPECIFICATIONS

<b>Product Name</b>	JEKCA Toy Poodle
<b>Model Number</b>	05S-M03 (ST19TPD05-M03)
<b>Product Dimensions</b>	9.57 x 4.65 x 6.69 inches
<b>Item Weight</b>	1.77 pounds
<b>Number of Pieces</b>	Over 910
<b>Recommended Age</b>	14 years and up
<b>Material</b>	Plastic
<b>Manufacturer</b>	JEKCA Limited

## 7. SAFETY INFORMATION

This product contains small parts and is recommended for individuals aged 14 or above. Keep small parts away from young children to prevent choking hazards.

## 8. SUPPORT

For further assistance, missing parts, or inquiries regarding your JEKCA Toy Poodle 05S-M03 model, please refer to the contact information provided in your product packaging or visit the official JEKCA website.
