JEKCA 01S-M04

JEKCA Labrador Retriever 01S-M04 Building Blocks Instruction Manual

Model: 01S-M04

1. INTRODUCTION

This manual provides detailed instructions for assembling your JEKCA Labrador Retriever 01S-M04 plastic building block model. Follow these steps carefully to construct your model correctly and enjoy the building experience.

2. WHAT'S IN THE BOX

Before you begin, please verify that all components are present in your package:

- Instruction Manual
- Bricks (various shapes and sizes)
- Pins
- Pin Driver
- Quick Guide

3. ASSEMBLY INSTRUCTIONS

The JEKCA building system utilizes a patented interlocking brick-through mechanism, ensuring a sturdy and durable model. Follow the included building manual and the steps below for successful assembly.

3.1 General Assembly Process

1. **Sort Components:** Separate the bricks by color and shape as indicated in the detailed instruction manual. This will streamline the building process.
2. **Follow Layer-by-Layer Diagrams:** The manual provides step-by-step diagrams, often showing layers of bricks. Carefully identify the correct bricks and their placement for each layer.
3. **Utilize the Pin Driver:** For secure connections, insert the provided pins into the designated holes. The pin driver tool assists in pushing the pins firmly into place, interlocking the bricks.
4. **Ensure Tight Connections:** Press bricks together firmly to ensure a snug fit. The interlocking system relies on these secure connections for structural integrity.
5. **Verify Each Step:** Before proceeding to the next step, double-check that the current layer matches the diagram in the manual.

Video: An overview of the Larcele Micro Building Block Dog Series, showing various models and aspects of their construction.

4. OPERATING AND DISPLAY

Once assembled, your JEKCA Labrador Retriever model is designed for display. It is a static sculpture and does not require any operational procedures.

- **Display:** Place your finished model on a stable, flat surface away from direct sunlight or extreme temperatures to preserve its color and structural integrity.
- **Handling:** While sturdy, avoid dropping or applying excessive force to the model to prevent bricks from detaching.

5. MAINTENANCE

To keep your JEKCA model looking its best, occasional cleaning may be required.

- **Dusting:** Use a soft, dry cloth or a soft-bristled brush to gently remove dust from the model's surface.
- **Spot Cleaning:** For stubborn marks, lightly dampen a cloth with water (no harsh chemicals) and gently wipe the affected area. Ensure the model is completely dry before returning it to display.

6. TROUBLESHOOTING

If you encounter any issues during assembly, consider the following:

- **Missing Pieces:** Carefully re-check all packaging and sorting areas. If pieces are genuinely missing, contact JEKCA customer support with your product details.
- **Difficulty Interlocking Bricks:** Ensure the pins are correctly aligned and pushed in firmly with the pin driver. Sometimes, a slight adjustment in angle can help.
- **Model Instability:** Re-examine the connections in the unstable section. Loose pins or incorrectly placed bricks can affect stability. Refer to the manual's diagrams for verification.

7. SPECIFICATIONS

Attribute	Detail
Product Dimensions	10.83 x 3.19 x 7.72 inches
Item Weight	1.52 pounds
ASIN	B07NPH1FZV
Item Model Number	ST19PT26-M04
Manufacturer Recommended Age	14 years and up
Department	Unisex Adult
Manufacturer	JEKCA Limited

8. SAFETY INFORMATION

Please observe the following safety guidelines:

- **Small Parts:** This product contains small parts which may pose a choking hazard. Keep away from young children.
- **Recommended Age:** Recommended for individuals aged 14 years and above.

9. WARRANTY AND SUPPORT

For any product inquiries, missing parts, or support needs, please contact JEKCA customer service. Specific warranty details may be provided with your purchase documentation or on the official JEKCA website.

Thank you for choosing JEKCA.
