Kooduu Synergy 35S User Manual

3-in-1 LED Lamp, Bluetooth Speaker, and Wine Cooler

1. INTRODUCTION

The Kooduu Synergy 35S is a versatile 3-in-1 device designed to enhance your environment. It combines a warm LED lamp, a high-quality Bluetooth speaker, and a functional wine cooler, making it suitable for various indoor and outdoor settings. This manual provides essential information for the safe and effective use of your Synergy 35S.

2. SAFETY INSTRUCTIONS

- Read all instructions carefully before use and retain for future reference.
- Do not expose the device to extreme temperatures, direct sunlight, or open flames.
- The Synergy 35S is water-resistant (splash-proof) but not waterproof. Do not submerge the device in water or expose it to heavy rain.
- Use only the provided charging cable and a compatible power adapter (not included) for charging.
- Keep the device away from children and pets.
- Do not attempt to disassemble, repair, or modify the device. Contact qualified service personnel if needed.
- Ensure the charging port is dry before connecting the charging cable.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- Kooduu Synergy 35S Device (LED Lamp, Bluetooth Speaker, Wine Cooler)

5. SETUP

5.1 Initial Charging

Before first use, fully charge your Kooduu Synergy 35S. Connect the USB charging cable to the charging port located on the bottom of the device. Connect the other end of the USB cable to a compatible USB power adapter (not supplied). The charging indicator light will illuminate. A full charge takes approximately 6 hours.

5.2 Placement

Place the Synergy 35S on a stable, flat surface. Ensure adequate ventilation around the speaker grille for optimal sound performance.

6. OPERATING INSTRUCTIONS

6.1 Power On/Off

- To power on, press and hold the power button on the bottom of the device until the LED light illuminates and you hear an audible cue.
- To power off, press and hold the power button again until the LED light turns off.

6.2 Bluetooth Pairing

1. Ensure the Synergy 35S is powered on. The Bluetooth indicator light will flash, indicating it is in pairing

mode.

2. On your smartphone, tablet, or other Bluetooth-enabled device, go to the Bluetooth settings.
3. Select "Kooduu Synergy 35S" from the list of available devices.
4. Once paired, the Bluetooth indicator light will stop flashing and remain solid, and you will hear a confirmation sound.
5. You can now stream audio from your device to the Synergy 35S. The Bluetooth range is approximately 10 meters (33 feet).

6.3 Light Function

The LED lamp provides warm ambient lighting. The light function is typically controlled by a dedicated button on the bottom panel or integrated with the power button for cycling through light modes (if available). Refer to the specific button layout on your device for exact operation.

6.4 Wine Cooler Function

The integrated compartment at the top of the Synergy 35S can be used to chill beverages. Simply place ice and your desired drinks into the compartment. The cooler has a capacity of approximately 1.3 liters.

6.5 Stereo Pairing (True Wireless Stereo - TWS)

To create a stereo sound experience, you can pair two Kooduu Synergy devices together. This feature is ideal for larger spaces or parties.

1. Ensure both Synergy devices are powered on and not connected to any other Bluetooth device.
2. On one Synergy device (this will be the primary speaker), press and hold the Bluetooth pairing button until you hear a specific TWS pairing tone.
3. The primary speaker will automatically search for the second Synergy device.
4. Once connected, you will hear a confirmation tone, and the Bluetooth indicator lights on both devices will synchronize.
5. Now, connect your audio source (smartphone, tablet) to the primary Synergy device via Bluetooth as described in section 6.2. Audio will play in stereo across both units.

7. CHARGING

The Kooduu Synergy 35S is equipped with a 2600 mAh rechargeable Lithium-ion battery, providing approximately 10 hours of operation on a full charge. When the battery is low, the device may indicate this with a flashing light or audible cue. To charge:

- Connect the USB charging cable to the charging port on the bottom of the device.
- Connect the other end of the USB cable to a standard USB power source (e.g., a wall adapter, computer USB port).
- The charging indicator will show the charging status.
- A full charge takes approximately 6 hours.

8. MAINTENANCE

8.1 Cleaning

- Wipe the exterior of the device with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- For the wine cooler compartment, remove any ice or liquid, then wipe clean with a damp cloth and dry thoroughly.
- Ensure the charging port is free of dust and debris.

8.2 Storage

When not in use for extended periods, store the Synergy 35S in a cool, dry place. It is recommended to charge the battery every 3-6 months to maintain its lifespan.

9. TROUBLESHOOTING
