PINOLINO 100043BG

Pinolino Round Wide Baby Room Furniture Set Instruction Manual

Model: 100043BG

Image: Pinolino brand banner featuring a baby room furniture set.

1. INTRODUCTION

This instruction manual provides essential information for the safe assembly, proper use, and effective maintenance of your Pinolino Round Wide Baby Room Furniture Set, Model 100043BG. Please read this manual thoroughly before assembly and retain it for future reference. This set includes a baby crib, a wide changing dresser, and a large wardrobe, designed with a maple and plain white decor.

2. PRODUCT OVERVIEW

The Pinolino Round Wide Baby Room Furniture Set is a 3-piece collection designed for modern children's rooms. It features a harmonious blend of maple and white finishes, with rounded elements for a contemporary look. All drawers and doors are equipped with Self-Soft-Close and Soft-Close mechanisms for smooth and silent operation.

- **Baby Crib:** Includes a slatted base and convertible sides.

- **Wide Changing Dresser:** Features a changing mat and ample storage.
- **Large Wardrobe:** Equipped with 5 height-adjustable shelves and 1 clothes rail.

3. SAFETY INFORMATION

Your child's safety is paramount. Please adhere to the following guidelines:

- Always ensure all assembly hardware is securely tightened. Regularly check for loose fittings.
- Do not leave children unattended near the changing table.
- Keep small parts and plastic bags away from children to prevent choking hazards.
- Ensure the crib mattress fits snugly to prevent gaps where a child could become entrapped.
- Do not place the crib near windows where cords or blinds could pose a strangulation risk.
- When the child can pull themselves to a standing position, the lowest mattress position must be used.
- Do not use the changing table if any part is broken, torn, or missing.

4. SETUP AND ASSEMBLY

Assembly of this furniture set is required. While the design is modern and functional, careful attention to detail during assembly is crucial. It is recommended to have two adults for assembly.

General Assembly Tips:

- **Identify All Parts:** Before starting, unpack all components and verify against the parts list (usually found in the included assembly instructions). Note that parts may not be individually labeled, requiring careful identification based on shape and size.
- **Tools:** Ensure you have all necessary tools, including a screwdriver and potentially a drill for pre-drilling if

holes are not perfectly aligned. Wood glue may also be beneficial for added stability.

- **Gentle Force:** While some parts may require firm pressure to fit, avoid excessive force to prevent damage to the particle board.
- **Follow Instructions:** Adhere strictly to the step-by-step assembly instructions provided in the product packaging.

Crib Assembly:

- The slatted base is height-adjustable to 3 positions. Select the appropriate height based on your child's age and development.
- The crib features 3 removable slats, allowing older children easy entry and exit. These should only be removed when the child is old enough to safely climb in and out.

Changing Dresser Assembly:

- The changing mat attachment for the wide changing dresser can be mounted on the left, center, or right side, or be completely removed when no longer needed.
- Ensure drawers are properly aligned during assembly to ensure smooth closing with the Self-Soft-Close mechanism.

Image: A toddler interacting with a drawer of the Pinolino changing dresser, demonstrating accessibility.

5. OPERATING AND USAGE

Crib:

- Adjust the slatted base height as your child grows. The highest position is for newborns, and the lowest for active toddlers.
- The removable slats provide flexibility for your child to enter and exit independently once they are capable.

Changing Dresser:

- Use the changing mat attachment for safe and convenient diaper changes. Always keep one hand on your child.
- Utilize the spacious drawers for storing diapers, wipes, clothing, and other essentials.

Wardrobe:

- Arrange the 5 height-adjustable shelves to suit your storage needs for clothes, blankets, or toys.
- Use the clothes rail for hanging garments.

6. MAINTENANCE

To ensure the longevity and appearance of your Pinolino furniture, follow these maintenance instructions:

- **Cleaning:** Wipe surfaces with a dry cloth. For stubborn marks, use a slightly damp cloth with mild soap, then immediately dry with a clean, soft cloth. Avoid abrasive cleaners or harsh chemicals.
- **Regular Checks:** Periodically check all screws and fittings to ensure they remain tight. Re-tighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.
- **Humidity Control:** Maintain a stable room temperature and humidity level to prevent wood from warping or cracking.

7. TROUBLESHOOTING

If you encounter issues during assembly or use, consider the following:

- **Missing or Damaged Parts:** Carefully review the parts list. If any parts are missing or damaged, contact Pinolino customer support.
- **Assembly Difficulties:** If parts do not align easily, double-check the assembly steps and orientation of each piece. Sometimes, a slight adjustment or re-drilling of pilot holes (with caution) may be necessary if manufacturing tolerances are tight.
- **Drawers Not Closing Smoothly:** Ensure drawer runners are correctly installed and aligned. The Self-Soft-Close mechanism requires precise alignment. If a drawer still doesn't close properly, check for obstructions or misaligned hardware.
- **Wobbly Furniture:** Ensure all screws are fully tightened. If the floor is uneven, use furniture glides or shims to stabilize.

8. SPECIFICATIONS

Feature	Detail
---------	--------

Feature	Detail
