Brabantia Bo Touch Top Kitchen Trash Can (2 x 8 Gal)

Brabantia Bo Touch Top Kitchen Trash Can (2 x 8 Gal) Instruction Manual

Model: Bo Touch Top Kitchen Trash Can (2 x 8 Gal)

Brand: Brabantia

PRODUCT OVERVIEW

The Brabantia Bo Touch Top Kitchen Trash Can with Dual Compartments is designed for efficient waste separation in your home. This model features two 8-gallon inner buckets, a soft-touch opening system, and a space-saving design that fits flush against a wall. It is constructed from durable plastic and steel, ensuring longevity and ease of maintenance.

SETUP

1. **Unpacking:** Carefully remove the trash can and all components from the packaging. Ensure all parts are present: the outer bin, two inner buckets, and any included sample trash bags.
2. **Placement:** Position the trash can in your desired location. Its flat back design allows it to fit closely against a wall or in a corner, optimizing space.
3. **Insert Inner Buckets:** Place the two removable plastic inner buckets into the main body of the trash can. Ensure they are seated correctly.
4. **Install Trash Bags:** For optimal fit, use Brabantia PerfectFit (Code O) tear-resistant trash bags. Place a bag into each inner bucket, folding the edges over the rim of the bucket.

OPERATING INSTRUCTIONS

Opening the Lid

The Bo Touch Top Trash Can features a soft-touch opening system. To open the lid, gently press down on the center of the lid. The lid will open smoothly and silently. It is designed to stay open until you manually close it, providing convenience during use.

Closing the Lid

To close the lid, gently push it down until it clicks into place. The soft-close mechanism ensures a quiet and controlled closure.

Waste Separation

This model includes two inner buckets, allowing for easy separation of different types of waste, such as general waste and recyclables. Utilize each bucket for its designated waste stream.

MAINTENANCE

Cleaning the Inner Buckets

The two inner buckets are removable for easy cleaning. Simply lift them out of the main bin. Wash the buckets with warm soapy water, rinse thoroughly, and dry before returning them to the trash can.

Image: Removing an inner bucket for cleaning or emptying.

Cleaning the Exterior

Wipe the exterior of the trash can with a soft, damp cloth. For stubborn marks, a mild, non-abrasive cleaner can be used. Avoid harsh chemicals or abrasive materials that could damage the finish.

TROUBLESHOOTING

- **Lid not opening/closing smoothly:** Check for any obstructions around the lid mechanism. Ensure the inner buckets are correctly seated and not interfering with the lid's movement.
- **Unpleasant odors:** Regularly empty and clean the inner buckets. Use Brabantia PerfectFit trash bags to help contain odors.
- **Stability issues:** Ensure the trash can is placed on a flat, even surface. The non-skid base should prevent movement.
