Polly Pocket GFP87

Polly Pocket Pollyville Mega Mall Playset Instruction Manual

Brand: Polly Pocket | Model: GFP87

1. INTRODUCTION

Welcome to Pollyville, the tiny hometown of Polly Pocket, full of big surprises! The Polly Pocket Pollyville Mega Mall Playset offers six floors of interactive fun and activities for endless imaginative play. This comprehensive manual provides all the information needed to set up, operate, and maintain your playset.

The Mega Mall Pack includes the multi-level mall structure, a transforming Ice Cream Truck, three micro dolls (Polly and Lila dolls, plus an additional micro Polly figure), Peaches the dog, a sticker sheet, and various accessories to customize your play experience.

2. WHAT'S INCLUDED

- Pollyville Mega Mall with 6 floors/play areas
- 1 Pink Toy Car
- 3 Micro Dolls (Polly, Lila, and 1 additional Polly figure)
- 1 Peaches the Dog micro figure
- 1 Ice Cream Truck (transforms into a mobile ice cream parlor)
- 2 Kiosks (makeup/jewelry and toy)
- 1 Cash Register
- 1 Table and 2 Chairs
- Shopping Bags
- Sticker Sheet

3. SETUP AND ASSEMBLY

The Polly Pocket Pollyville Mega Mall Playset requires no assembly. It is ready for play directly out of the box.

To enhance play, utilize the included sticker sheet. Polly Stick technology allows micro dolls to stick anywhere a sticker is placed. Simply peel a sticker from the sheet and apply it to any desired area on the

playset. The dolls will then adhere to the sticker, enabling versatile positioning and play scenarios.

4. OPERATING INSTRUCTIONS

Explore the six floors of the Mega Mall and interact with its many features:

4.1 Ground Floor Entrance

Dolls can enter the mall lobby through the spinning doors by rotating the fountain feature. This floor also features an information desk.

4.2 Elevator Operation

The central elevator allows dolls to travel between all six floors. Place a micro doll inside the elevator. The elevator spins as it moves up and down, providing a dynamic experience.

Image: A micro doll inside the clear, spinning elevator, demonstrating its movement between floors.

4.3 Parking Garage

The playset includes a parking garage with a winding ramp. Place Polly's pink vehicle at the top of the ramp, lift the barrier, and watch it zip down to the ground floor. The vehicle can accommodate micro dolls.

Image: Polly's pink car is positioned on the upper level of the parking garage, ready to descend the blue ramp.

Image: Two micro dolls are shown seated comfortably inside the pink toy car, ready for a ride.

4.4 Sports Center (2nd Floor)

This floor features a skate ramp where dolls can practice their skateboarding skills. There's also a basketball hoop and a soccer goal for various sports activities.

Image: A micro doll is shown on a pink skate ramp, with miniature skateboards and rollerblades decorating the background wall.

Image: A micro doll is positioned in front of a soccer goal, ready to play. The background shows parts of the pet store and electronics store.

4.5 Pet Store & Electronics Store (3rd Floor)

Visit the pet store to see Peaches the dog in its puppy area, complete with an aquarium. Adjacent is the electronics store, featuring a TV with moving images and computer stations.

Image: A micro doll is positioned in front of a soccer goal, ready to play. The background shows parts of the pet store and electronics store.

4.6 Boutique (4th Floor)

The boutique allows dolls to check out clothes and walk the runway. The runway feature slides out for fashion shows.

4.7 Movie Theater (5th Floor)

Catch a movie in the theater, which features seating for micro dolls. The theater folds down, and the popcorn machine spins for a realistic movie experience.

Flip down for a movie and popcorn!

Image: Two micro dolls are seated in the movie theater, facing a screen depicting a space-themed movie. Concession stands are visible above.

4.8 Food Court (6th Floor)

The top floor hosts the food court, complete with various kiosks offering different food options. Dolls can sit at the table and chairs to enjoy their meals.

Image: Two micro dolls are shown at separate food court kiosks, one serving pizza and the other hot dogs and drinks.

Image: A micro doll stands at a smoothie bar, while another is at a food court kiosk. Tables and chairs are set up for dining.

4.9 Ice Cream Truck

The separate Ice Cream Truck transforms into a mobile ice cream parlor. It features an ice cream display window, a cash register, and a table with chairs for enjoying sweet treats. A micro Polly figure with a serving apron is included for the truck.

5. MAINTENANCE

To clean the playset, wipe surfaces with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners. Ensure all small parts are stored safely to prevent loss.

6. TROUBLESHOOTING

-
- **Dolls not sticking:** Ensure the Polly Stick stickers are clean and free of dust or debris. Replace worn stickers if necessary.
 - **Moving parts are stiff:** Check for any small obstructions or debris that might be hindering movement. Gently clean the mechanism if needed.
