› CASARIA Folding Garden Bench User Manual - 2-Seater, FSC Certified Eucalyptus Wood

Casaria 4250525365603

CASARIA Folding Garden Bench User Manual

Model: 4250525365603

INTRODUCTION

Thank you for choosing the CASARIA Folding Garden Bench. This 2-seater bench, crafted from FSC certified eucalyptus wood, is designed for both indoor and outdoor use, offering durability and a practical foldable design. This manual provides essential information for safe assembly, operation, and maintenance of your new bench.

SAFETY INSTRUCTIONS

- Always assemble the bench on a flat, stable surface.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the maximum recommended load capacity of 320 kg (approximately 705 lbs).
- Keep children away from the bench during assembly to prevent injury from small parts.
- Avoid standing on the bench. Use it only for seating.
- When folding or unfolding the bench, ensure hands and fingers are clear of moving parts to prevent pinching.

PACKAGE CONTENTS

Please check that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, contact customer support.

- CASARIA Folding Garden Bench components (eucalyptus wood sections)
- Assembly hardware (screws, bolts, washers, etc.)
- Assembly tool (e.g., Allen key)
- Instruction manual (this document)

SETUP (ASSEMBLY)

Assembly of the CASARIA Folding Garden Bench is straightforward, but careful attention to the steps is required. It is recommended to have a second person assist during certain stages.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the included diagram (if available in the physical manual) to identify each wooden section and piece of hardware.
3. **Pre-Drilled Holes:** Some pre-drilled holes may require clearing. If a hole appears blocked, gently push through it with a small, pointed tool to ensure smooth screw insertion.
4. **Initial Fastening:** Begin by loosely attaching components as indicated in the assembly diagram. Do not fully tighten screws until all parts are correctly aligned.
5. **Final Tightening:** Once all components are in place and aligned, gradually tighten all screws and bolts. Avoid using power tools at high torque, as this can damage the wood. Hand-tightening or using a power tool on the lowest torque setting is recommended.
6. **Stability Check:** After assembly, gently shake the bench to ensure it is stable and all connections are secure.

OPERATING (USAGE)

The CASARIA Folding Garden Bench is designed for comfortable seating for two individuals. Its foldable design allows for convenient storage and portability.

Unfolding the Bench

1. Place the folded bench on a flat, stable surface.
2. Gently pull the seat and backrest sections apart until the legs extend fully.
3. Ensure all locking mechanisms (if present) are engaged and the bench is stable before sitting.

Folding the Bench

1. Ensure no one is sitting on the bench and there are no objects on it.
2. Locate any release mechanisms (if applicable) and disengage them.
3. Carefully push the seat and backrest sections together, allowing the legs to fold inwards.
4. Once folded, the bench can be stored upright or laid flat in a dry, protected area.

MAINTENANCE

To ensure the longevity and appearance of your eucalyptus wood bench, follow these maintenance guidelines:

- **Regular Cleaning:** Wipe the bench with a dry cloth to remove dust and dirt. For more stubborn marks, use a damp cloth with mild soap and water, then dry thoroughly.
- **Wood Treatment:** Eucalyptus wood is naturally durable and resistant to weather, pests, and fungi. To maintain its rich color and protect it from UV radiation and moisture, it is recommended to treat the wood with a suitable wood oil specifically designed for outdoor furniture once or twice a year, or as needed.
- **Winter Storage:** During colder months or prolonged periods of non-use, store the folded bench in a dry, sheltered location to protect it from harsh weather conditions.
- **FSC Certification:** The wood used in this bench is FSC certified, ensuring it comes from responsibly managed forests.

Image: The FSC (Forest Stewardship Council) logo, indicating that the wood used in the product is sourced from responsibly managed forests.

TROUBLESHOOTING

If you encounter any issues with your CASARIA Folding Garden Bench, refer to the following common solutions:

- **Bench is Wobbly:** Check all screws and bolts to ensure they are fully tightened. If the issue persists, disassemble and reassemble, ensuring all parts are correctly aligned before tightening.
- **Difficulty Folding/Unfolding:** Ensure there are no obstructions in the folding mechanism. Apply a small amount of silicone spray to the hinges if they are stiff.
- **Wood Discoloration:** Over time, eucalyptus wood may naturally lighten or gray if not regularly treated. Apply a suitable wood oil to restore its original color and protection.

SPECIFICATIONS

Brand	Casaria
Model Number	4250525365603
Material	Eucalyptus Wood
Color	Brown
Dimensions (L x W x H)	120 x 60 x 91 cm (47.2 x 23.6 x 35.8 inches)
Seat Height	46 cm (18.11 inches)

Seating Capacity	2 persons
Maximum Load Capacity	320 kg (705 lbs)
Assembly Required	Yes
