# LEGO Disney Frozen 2 Elsa's Jewelry Box Creation

MODEL: 41168

Brand: LEGO

## Introduction

---

The LEGO Disney Frozen 2 Elsa's Jewelry Box Creation (Model 41168) is a building set designed for fans of Disney's Frozen 2. This set allows for the construction of a decorative jewelry box featuring elements inspired by Elsa's ice castle, including a lockable drawer, a mirror, and spinning functions for the included figures. It provides an engaging building experience and a functional storage solution.

## What's in the Box

---

- LEGO Building Elements (300 pieces)
- Elsa mini-doll figure
- Nokk water spirit figure
- 2 LEGO rings
- Printed Instruction Manual

## Setup and Assembly

---

This set contains 300 LEGO pieces. Follow the step-by-step instructions provided in the included manual for proper assembly. For an interactive building experience, you can also utilize the official LEGO Builder App, which offers digital instructions with 3D rotation and zoom features.

## Operating Instructions and Features

---

The Elsa's Jewelry Box Creation set offers several interactive features:

- **Lockable Drawer:** The jewelry box features a drawer with a locking mechanism. To secure the drawer, push the two blue ice-crystal levers on the front inwards. To unlock and open the drawer, pull these levers outwards. The drawer contains three separate compartments for organizing small items.
- **Spinning Figures:** Place the Elsa mini-doll and Nokk figure on their respective platforms on top of the jewelry box. Rotate the blue snowflake gears to make the figures spin, simulating a dance or movement scene.
- **Mirror:** A decorative mirror is integrated into the ice castle structure, allowing for imaginative play scenarios.
- **Included Rings:** The set comes with two buildable LEGO rings, which can be stored in the drawer or worn.

## Maintenance

---

To ensure the longevity and appearance of your LEGO set, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust and dirt. For stubborn grime, a slightly damp cloth with mild soap can be used, followed by thorough drying.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic elements.
- **Handling:** Handle the set with care to avoid accidental disassembly or damage to delicate parts.

## Troubleshooting

---

- **Missing Pieces:** If you discover any missing pieces during assembly, please refer to the LEGO customer service information provided in the original packaging or on the official LEGO website for replacement parts.
- **Stiff Drawer Mechanism:** If the drawer is difficult to open or close, ensure that all connecting bricks around the drawer and locking levers are properly aligned and free of any obstructions.
- **Figures Not Spinning Smoothly:** Check that the Elsa mini-doll and Nokk figure are correctly placed on their respective platforms and that the gears are free from any debris.
