Maintenance

Cleaning Instructions

To clean Cubbles The Bear, gently wipe the surface with a damp cloth. Do not immerse the toy in water, as this may damage the electronic components. Allow to air dry completely.

Battery Replacement

If Cubbles' responses become weak or inconsistent, it may be time to replace the batteries. Locate the battery compartment on the back of the bear, open the fabric flap, and use a small screwdriver to open the battery cover. Replace the two AA batteries with new ones, ensuring correct polarity. Secure the cover and fabric flap.

Troubleshooting

- **Cubbles is not responding:**
  - Check if the power switch is in the 'ON' position.
  - Ensure batteries are correctly installed and not depleted. Replace with new batteries if necessary.
- **Sounds are distorted or too quiet:**
  - This usually indicates low battery power. Replace the batteries.
- **Eyes are not closing/opening properly:**
  - Ensure there are no obstructions around the eyes.
  - Check battery power and replace if needed.

If problems persist after following these steps, please refer to the support information.
