## SAFETY INFORMATION

**WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.**

Always supervise young children during play. Ensure all components are securely attached before use. Keep batteries out of reach of small children.

## SETUP

1. **Unboxing:** Carefully remove Pinki The Bear and all accessories from the packaging.
2. **Battery Installation:** Pinki The Bear requires 2x AA batteries. Locate the battery compartment, usually on the back or bottom of the toy. Use a screwdriver to open the compartment, insert the batteries according to the polarity markings (+/-), and securely close the compartment. (Note: Batteries may be pre-installed for 'Try Me' function).
3. **Activation:** Locate the ON/OFF switch, typically near the battery compartment. Switch it to the 'ON' position to activate Pinki The Bear.

## OPERATING INSTRUCTIONS

Pinki The Bear has over 25 sounds and reactions. Interact with your Cozy Dozy in the following ways:

- **Soothing to Sleep:** Wrap Pinki in her soft blanket to soothe her. She will respond with sleepy sounds and may close her eyes.
- **Pacifier Interaction:** Place the pacifier in Pinki's mouth to help her fall asleep. She will make sucking sounds and her eyes may close.
- **Tickle Response:** Gently tickle Pinki's tummy. She will close her eyes and start to giggle.
- **Petting Response:** Gently pet Pinki's head. She will react and respond to your touch with various happy sounds.

Includes 2 x AA/LR6 1.5v batteries

## MAINTENANCE

- **Cleaning:** To clean Pinki The Bear, gently wipe the surface with a damp cloth. Do not immerse the toy in water. Avoid using harsh chemicals or abrasive cleaners.
- **Battery Replacement:** When sounds or reactions become weak or stop, it's time to replace the batteries. Follow the battery installation steps in the Setup section. Always use new AA batteries and dispose of old batteries responsibly.
- **Storage:** Store Pinki The Bear in a clean, dry place away from direct sunlight and extreme temperatures

when not in use.

## TROUBLESHOOTING

- **No Sound/Reactions:**

- Ensure the ON/OFF switch is in the 'ON' position.
- Check if the batteries are correctly installed and not depleted. Replace with new batteries if necessary.

- **Intermittent Responses:**

- This may indicate low battery power. Replace the batteries.
- Ensure interactions (petting, tickling, pacifier) are performed correctly and firmly enough to activate sensors.
