Logitech G 910-005638

Logitech G703 Lightspeed Wireless Gaming Mouse

Model: 910-005638 | Brand: Logitech G

INTRODUCTION

The Logitech G703 Lightspeed gaming mouse features the next-gen Hero 25K sensor, offering precise gameplay with up to 25,600 Max DPI and zero smoothing. It provides enhanced wireless performance with 10x the battery efficiency of previous generation sensors, allowing up to 35 hours of gameplay with Lightsync RGB enabled. Compatible with Powerplay for infinite gameplay. A comfortable design meets advanced button technology for supreme comfort and crisp, clean clicks. G703 Lightspeed lets you play like the pros — and play to win.

WHAT'S IN THE BOX

- G703 LIGHTSPEED Wireless Gaming Mouse
- LIGHTSPEED™ USB receiver
- Charging/data cable
- Optional 10g weight

Figure 1: Contents of the Logitech G703 package, including the mouse, USB receiver, and charging cable.

SETUP

1. Connecting the Wireless Receiver

1. Locate the LIGHTSPEED™ USB receiver in the packaging.
2. Plug the USB receiver into an available USB port on your computer.
3. Turn on the mouse using the ON/OFF switch located on the underside of the mouse.

2. Installing Optional Weight

- The G703 mouse comes with an optional 10g weight.
- To install, remove the magnetic cover on the underside of the mouse.
- Place the 10g weight into the designated slot and reattach the magnetic cover.

Figure 3: Illustration of the 10g removable weight for customizing mouse feel.

3. Charging the Mouse

- Connect the charging/data cable to the front port of the mouse.
- Plug the USB end of the cable into a USB port on your computer or a USB power adapter.
- The mouse can be used while charging.
- For infinite gameplay, consider the Powerplay wireless charging system (sold separately).

OPERATING THE MOUSE

Button Functions

- **Left/Right Click:** Standard mouse buttons for primary actions.
- **Scroll Wheel:** For vertical scrolling. Can also be clicked for middle-click functionality.
- **Side Buttons:** Two programmable buttons on the left side, typically for forward/back navigation.
- **DPI Cycle Button:** Located below the scroll wheel, used to cycle through DPI settings.

MAINTENANCE

Cleaning

To maintain optimal performance, regularly clean your mouse. Use a soft, lint-free cloth slightly dampened with water to wipe the surface. Avoid using harsh chemicals or abrasive materials. For the sensor, use a dry cotton swab to gently remove any dust or debris.

Battery Care

The G703 mouse uses a Lithium Polymer battery. To prolong battery life, avoid fully discharging the mouse frequently. Charge it when the battery indicator shows low. Store the mouse in a cool, dry place when not in use for extended periods.

TROUBLESHOOTING

Problem	Possible Solution
---------	-------------------

Problem	Possible Solution
Mouse not responding	• Ensure the mouse is turned on. • Check if the USB receiver is securely plugged into a working USB port. • Try plugging the receiver into a different USB port. • Ensure the mouse battery is charged. • Restart your computer.
Lag or intermittent connection	• Move the mouse closer to the USB receiver. • Avoid placing the receiver near other wireless devices (e.g., Wi-Fi routers, cordless phones). • Ensure there are no large metal objects between the mouse and receiver. • Update mouse drivers via Logitech G HUB software.
Lightsync RGB not working	• Ensure Logitech G HUB software is installed and running. • Check lighting settings within G HUB. • Ensure the mouse battery is not critically low.
