

JOYOUNG DJ13U-P10

Joyoung DJ13U-P10 Superfine Grinding Automatic Hot Soy Milk Maker Instruction Manual

Model: **DJ13U-P10** | Brand: **JOYOUNG**

1. INTRODUCTION

The Joyoung DJ13U-P10 is an automatic home kitchen appliance designed for making various beverages, including soy milk, nut milk, rice paste, and porridge. It features superfine grinding technology and a 4D induction heating system for efficient and quiet operation.

Key features include:

- **Multi-Functions:** Dry/Soaked beans, Classic soy, Grains, Rice paste, Nut, Porridge, Corn juice, Juice, Date soy, Goji soy, Rose soy.
- **Quiet Operation:** Creative grinder design and 4D induction heating system reduce noise effectively.
- **Time & Temperature Presets:** Automatically maintains the set temperature after preparation and allows for delayed start.
- **Wider Capacity:** Adjustable capacity from 500ml to 1300ml, suitable for 2 to 5 persons.
- **Filterless Technology:** Designed for systematic grinding and better nutrient release, eliminating the need for straining in many preparations.

2. SETUP

2.1 Unboxing and Components

Carefully remove all components from the packaging. Ensure all parts are present before initial use.

Package lists

1.Soymilk Maker 2.Small Measuring Cup 3.Cleaning Brush
4.Large Measuring Cups 5.Power Cord 6.Manual

Image: Components of the Joyoung DJ13U-P10 Soy Milk Maker package, including the main unit, small measuring cup, cleaning brush, large measuring cups, power cord, and manual.

The package typically includes:

- Soy Milk Maker Main Unit
- Small Measuring Cup
- Cleaning Brush
- Large Measuring Cups
- Power Cord
- Instruction Manual

2.2 Initial Cleaning

Before first use, it is recommended to perform a deep cleaning cycle. Fill the water tank to the 'Cleaning Level' (approximately 300ml) and select the 'Clean' function. This cycle typically takes 8 minutes and uses steam cleaning to ensure thorough sanitation of the grinding pot and internal components.

3. OPERATING INSTRUCTIONS

3.1 Preparing Ingredients

Measure your desired ingredients (e.g., soybeans, nuts, grains) using the provided measuring cups. For best results, ensure ingredients are clean and free from debris.

Image: Internal view of the soy milk maker's grinding mechanism and stainless steel pot. Ingredients are placed directly into this pot.

3.2 Adding Water

Pour water into the main pot up to the desired measurement line (500ml, 800ml, 1000ml, or 1300ml) indicated on the interior of the pot. Ensure the water level is between the minimum and maximum marks.

3.3 Selecting a Function

Close the lid securely. The control panel offers various preset functions:

Image: Close-up view of the Joyoung DJ13U-P10 Soy Milk Maker's touch control panel with various function selections.

- **Grains:** For mixed grain beverages.
- **Dry/Soaked Beans:** For soy milk from dry or pre-soaked soybeans.
- **Rice Paste:** For making smooth rice paste.
- **Aromatic Soymilk:** For a richer soy milk flavor.
- **Porridge:** For cooking porridge.
- **Nut Milk:** For various nut-based milks.
- **Juice:** For blending fresh juices.
- **Easy Wash:** A quick cleaning cycle.
- **Rapid Soymilk:** For faster soy milk preparation.
- **Warming:** To keep beverages warm.

Press the 'Select' button repeatedly until the desired function light illuminates. Then, press 'Start' to begin the process.

3.4 Using Preset Time and Temperature

The machine allows you to preset the time for a delayed start. It will also automatically maintain the set temperature of the beverage after preparation. Refer to the specific instructions in the full manual for detailed programming steps.

3.5 Straining (Optional)

While the DJ13U-P10 features filterless technology for fine grinding, some users may prefer an even smoother texture. If desired, pour the prepared beverage through the provided filter or a fine-mesh sieve into the large

measuring cup. Use a spoon to gently press the solids to extract additional liquid.

4. MAINTENANCE

4.1 Automatic Cleaning

After each use, it is recommended to run the 'Easy Wash' cycle. Fill the water tank to the 'Cleaning Level' and select the 'Easy Wash' function. This will help remove residue and keep the machine clean.

4.2 Manual Cleaning

For thorough cleaning, especially after preparing thick beverages, unplug the machine and allow it to cool. Carefully detach the grinding head and rinse it under running water. Use the provided cleaning brush to remove any stubborn residue from the blades and interior of the pot. Wipe the exterior of the machine with a damp cloth. **Do not immerse the main unit in water.**

5. TROUBLESHOOTING

If the machine encounters an issue, it may display an error code. Refer to the table below for common error

codes and their solutions:

Error Code	Description	Solution
E01	Glass jar not in place or incorrectly positioned.	Ensure the glass jar is correctly placed on the base.
E02	Water tank is empty or water level is too low.	Fill the water tank to the appropriate level.
E03	Grinding compartment lid is not closed securely.	Close the grinding compartment lid firmly until it clicks into place.
E04	Excess ingredients or too thick mixture causing overflow.	Reduce the amount of ingredients or adjust the water-to-ingredient ratio. Scoop out excess if needed.
E05	Motor overheating or malfunction.	Unplug the machine, allow it to cool down, then restart. If the issue persists, contact customer support.
E06	Other system malfunction.	Unplug the machine and restart. If the issue persists, contact customer support.

6. SPECIFICATIONS

- **Product Model:** DJ13U-P10
- **Capacity:** 500-1300ml
- **Input Voltage:** 120 V-60 Hz
- **Rated Power:** 1200 W
- **Motor Power:** 300 W
- **Motor Speed:** 20000 r/min
- **Suitable For:** 2-4 persons
- **Product Dimensions:** 230x180x310mm (7.09"D x 9.06"W x 12.2"H)
- **Net Weight:** 2.6 KG (5.73 pounds)
- **Controls Type:** Touch
- **Blade Material:** Alloy Steel
- **Container Material:** Plastic
- **Color:** Black
- **Special Feature:** Induction Heating
- **UPC:** 745780736731, 791281864138, 791281864145
- **Manufacture Year:** 2019
- **Date First Available:** January 3, 2019

7. WARRANTY AND SUPPORT

7.1 Warranty Information

The Joyoung DJ13U-P10 Soy Milk Maker comes with a **12-month warranty** from the date of purchase. Please retain your proof of purchase for warranty claims.

7.2 Customer Support

For technical assistance, troubleshooting beyond the provided guide, or warranty service, please contact Joyoung customer support. Refer to the contact information provided in your product packaging or visit the official Joyoung website.
