POLICE SPL891

POLICE Origins 4 SPL891 Gold Sunglasses User Manual

Comprehensive instructions for the care and use of your POLICE Origins 4 SPL891 Gold Sunglasses.

INTRODUCTION

Thank you for choosing POLICE Origins 4 SPL891 Gold Sunglasses. This manual provides essential information for the proper setup, usage, maintenance, and care of your new eyewear. Please read these instructions carefully to ensure optimal performance and longevity of your sunglasses.

PRODUCT OVERVIEW

The POLICE Origins 4 SPL891 sunglasses feature a classic pilot style with a sophisticated gold frame and tortoise accents on the temples. The brown gradient lenses offer protection and visual clarity. These sunglasses are designed for men, combining style with functionality.

SETUP AND ADJUSTMENT

For optimal comfort and fit, your sunglasses may require minor adjustments. If you experience discomfort, consult an eyewear professional.

- **Wearing:** Gently place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears without pressure.
- **Fit:** The sunglasses should feel secure without being too tight or too loose. If they slide down your nose or feel too tight behind your ears, professional adjustment may be needed.
- **Nose Pads:** The nose pads are designed to distribute weight evenly. Avoid bending them yourself, as this can damage the frame.

USAGE GUIDELINES

These sunglasses are designed to protect your eyes from harmful UV rays and reduce glare. Follow these guidelines for safe and effective use:

- **UV Protection:** The lenses provide 100% UV protection, suitable for general use in bright sunlight.
- **Not for Direct Sun Gazing:** Do not look directly at the sun, even with sunglasses on, as this can cause permanent eye damage.
- **Driving:** The brown gradient lenses are suitable for driving. However, exercise caution in low light conditions or at night.
- **Impact Resistance:** While durable, these lenses are not unbreakable. Avoid dropping or subjecting them to strong impacts.

MAINTENANCE AND CARE

Cleaning

Proper cleaning helps maintain the clarity of your lenses and the integrity of your frame.

- **Lenses:** Use a soft, clean microfiber cloth specifically designed for eyewear. For stubborn smudges, lightly dampen the cloth with a lens cleaning spray or lukewarm water. Avoid using paper towels, clothing, or harsh chemicals, as these can scratch the lenses.
- **Frame:** Wipe the frame gently with a damp cloth and dry immediately with a soft, clean cloth.

Storage

Proper storage protects your sunglasses from damage when not in use.

- Always store your sunglasses in their protective case when not wearing them.
- Avoid leaving sunglasses in direct sunlight or extreme heat (e.g., on a car dashboard), as this can warp the frame or damage the lens coatings.
- Keep them away from sharp objects that could scratch the lenses or frame.

TROUBLESHOOTING

Here are solutions to some common issues you might encounter:

Problem	Solution
Lenses are smudged or dirty.	Clean with a microfiber cloth and lens cleaning spray or lukewarm water.
Sunglasses feel loose or slide down.	Visit an eyewear professional for frame and nose pad adjustment.
Minor scratches on lenses.	Unfortunately, scratches cannot be removed. Prevent further scratches by proper cleaning and storage.

SPECIFICATIONS

Feature	Detail
