› Sorbus Wall Mounted Mug Rack - Large Black (Model MG-RACKLRGA) Instruction Manual

Sorbus MG-RACKLRGA

Sorbus Wall Mounted Mug Rack

MODEL: MG-RACKLRGA - LARGE BLACK

Introduction

This manual provides essential information for the safe and effective installation, operation, and maintenance of your Sorbus Wall Mounted Mug Rack. Please read these instructions thoroughly before assembly and retain them for future reference.

The Sorbus Wall Mounted Mug Rack is designed to store and display up to 27 coffee mugs, tea cups, or glasses. It features a 6-tier design made from durable solid iron with a black powder-coated finish, adding a functional and decorative element to your kitchen or dining area.

Product Features

- **Capacity:** Stores and displays up to 27 mugs, tea cups, or glasses.
- **Space-Saving Design:** Frees up cabinet, cupboard, and counter space.
- **Durable Construction:** Made of solid iron with a black powder-coated finish.
- **Secure Mounting:** Features keyhole style mounting brackets in 4 corners for stable wall installation.
- **Optimized Hooks:** Branches tilt upward to ensure items remain safely in place.
- **Versatile Use:** Suitable for various decor styles including modern, vintage, or farmhouse.

What's Included

- Sorbus Wall Mounted Mug Rack (Large Black)
- Mounting Hardware (screws and wall anchors)

HARDWARE INCLUDED

Image: Close-up of the included mounting hardware, consisting of black screws and white plastic wall anchors.

Safety Information

- Ensure the mounting surface is suitable to support the weight of the rack and its contents.
- Use appropriate tools and follow all installation steps carefully.
- Regularly check mounting screws for tightness to prevent loosening and potential falls.
- Distribute weight evenly across the rack to maintain stability.

Assembly & Installation

The Sorbus Wall Mounted Mug Rack requires minimal assembly. Follow these steps for secure installation:

1. **Choose Location:** Select a suitable wall location in your kitchen, dining room, or coffee station. Ensure there are no electrical wires or plumbing behind the wall where you plan to drill.
2. **Mark Mounting Points:** Hold the mug rack against the wall at the desired height. Use a pencil to mark the locations

of the four keyhole mounting brackets.

3. **Drill Pilot Holes:** Drill pilot holes at the marked locations. If installing into drywall without a stud, use the included wall anchors. For wood studs, drill smaller pilot holes appropriate for the screws.
4. **Insert Wall Anchors (if needed):** Gently tap the wall anchors into the pilot holes until flush with the wall surface.
5. **Attach Rack:** Align the keyhole brackets on the back of the rack with the drilled holes/anchors. Insert the screws and tighten them securely. Do not overtighten.

Operating Instructions

Once securely mounted, your Sorbus Wall Mounted Mug Rack is ready for use:

- **Hanging Mugs:** Carefully place the handle of your mug onto one of the 27 hooks. The upward-tilting design of the branches helps to keep mugs securely in place.
- **Loading:** Distribute mugs evenly across the rack to maintain balance and prevent undue stress on any single point.
- **Versatility:** While designed for mugs, the rack can also hold various sizes of tea cups, glasses, or even small mason jars.

Maintenance & Care

To ensure the longevity and appearance of your mug rack, follow these simple care instructions:

- **Cleaning:** Wipe the rack regularly with a soft, damp cloth to remove dust and grime. Avoid abrasive cleaners or harsh chemicals that could damage the powder-coated finish.
- **Inspection:** Periodically check all mounting points and hooks for any signs of wear or loosening. Tighten screws as necessary.
- **Weight Limit:** Do not overload the rack beyond its intended capacity to prevent bending or damage.

Troubleshooting

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Rack feels unstable or wobbly.	Mounting screws are loose; inadequate wall anchors; uneven weight distribution.	Tighten all mounting screws. Ensure appropriate wall anchors were used for your wall type. Redistribute mugs evenly.
Mugs slide off hooks.	Mugs are too small for hooks; hooks are bent.	Ensure mugs have handles large enough to securely fit the hooks. The hooks are designed to tilt upward to prevent sliding. If hooks are bent, inspect for damage.

Specifications

Brand	Sorbus
Model Number	MG-RACKLRGA
Material	Solid iron with black powder-coated finish
Color	Black
Product Dimensions (D x W x H)	20.75" x 4.72" x 35"
