Step-by-Step Instructions:

1. **Assemble the Frame (Part 1):** Attach the drawer slides (CL, CR) to the side frames (K, L) using screws (7).
2. **Assemble the Frame (Part 2):** Connect the vertical supports (D) to the bottom panel (C) using screws (2). Then attach the top panel (C) to the vertical supports (D) using screws (1).
3. **Assemble the Frame (Part 3):** Attach the middle shelf (E) to the assembled frame using screws (3).
4. **Assemble the Frame (Part 4):** Connect the side frames (K, L) to the main body (E) using dowels (4) and screws (1). Secure the bottom shelf (F) to the frame using screws (2) and dowels (4).
5. **Assemble the Frame (Part 5):** Insert the plastic plugs (13) and screw in the support screws (14) into the designated holes on the frame.
6. **Assemble the Drawers:** Assemble the drawer boxes (N, O, P, Q) using screws (2) and attach the handles (9) with screws (10). Attach the drawer slides (DL, DR) to the assembled drawers using screws (7).
7. **Install Drawers:** Slide the assembled drawers into the main frame.
8. **Assemble the Tabletops (Option 1 - Dual Lift):** Attach the lift mechanisms (11, 12) to the

main frame using screws (6). Attach the small tabletop (B) and large tabletop (A) to the lift mechanisms using screws (5).

9. **Assemble the Tabletops (Option 2 - Single Lift):** If your model supports it, attach one lift mechanism (11) to one side of the main frame using screws (6). Attach the corresponding tabletop (A or B) to this mechanism using screws (5). The other side will remain fixed.
10. **Final Touches:** Apply the adhesive covers (15) over visible screw heads for a clean finish.

5. OPERATING INSTRUCTIONS

The VASAGLE Lift-Top Coffee Table offers flexible functionality to adapt to your needs.

Lift-Top Mechanism:

- To raise the tabletop: Gently lift the desired tabletop section. The gas spring mechanism will assist in a smooth, controlled ascent.
- To lower the tabletop: Apply gentle downward pressure on the tabletop until it fully retracts into its original position.
- The table features two tabletops that can be raised independently, creating two separate work areas. The large tabletop is foldable for additional versatility.

Storage Features:

- **Hidden Compartments:** Beneath the lift-tops, there are three hidden compartments for storing items you wish to keep out of sight.
- **Drawers:** Two smooth-gliding drawers are located on the lower section for smaller items.
- **Open Shelf:** An open shelf provides space for displaying decorative items or easily accessible books and magazines.
