## Mind-Glowing MG ML01 4.7in

# Mind-Glowing Moon Lamp User Manual

Model: MG ML01 4.7in | Brand: Mind-Glowing

## INTRODUCTION

Welcome to the Mind-Glowing Moon Lamp user manual. This guide provides detailed instructions for setting up, operating, and maintaining your 3D Moon Night Light. Please read this manual thoroughly to ensure optimal performance and longevity of your product.

## PRODUCT OVERVIEW

The Mind-Glowing Moon Lamp is a 3D-printed night light designed to create a serene and magical atmosphere. It features multi-color LED lighting, touch and remote control, and various dynamic modes to suit any mood.

### Key Features:

- **Peaceful Ambiance:** Adjust brightness, cycle through 16 colors, and set the perfect ambiance with built-in Timer and Dimming features.
- **Vibrant Hues:** Ignite imagination with 16 dazzling and vibrant hues.
- **Long-lasting Light:** Rechargeable battery offers up to 20 hours of light.
- **Dynamic Modes:** Includes Fade, Flash, Strobe, and Smooth modes for varied lighting effects.
- **Safe & Eco-Friendly:** Crafted with BPA-free, food-grade PLA for safety and durability. Features cool-touch LED and a splinter-free, polished wooden stand.
- **Easy Control:** Convenient Remote & Touch Control for effortless operation.

## WHAT'S IN THE BOX

---

- Mind-Glowing Moon Lamp (4.7 inch)
- Wooden Stand
- Remote Control
- USB Power Cable

## SETUP

---

1. **Assemble the Wooden Stand:** Carefully interlock the wooden pieces to form the stand. Ensure it is stable before placing the lamp.
2. **Place the Moon Lamp:** Gently place the Moon Lamp onto the assembled wooden stand.
3. **Initial Charge:** Before first use, fully charge the Moon Lamp using the provided USB power

cable. Connect the cable to the charging port at the bottom of the lamp and to a standard USB power adapter (not included). The indicator light will show charging status.

## OPERATING INSTRUCTIONS

---

### Power On/Off:

- **Touch Control:** Lightly touch the metal charging port at the bottom of the lamp to turn it on or off.
- **Remote Control:** Press the 'ON' or 'OFF' button on the remote control.

### Color Selection:

- **Touch Control:** While the lamp is on, touch and hold the metal charging port to cycle through colors. Release to select.
- **Remote Control:** Use the color buttons on the remote to select from 16 different colors.

## **Brightness Adjustment:**

- **Touch Control:** Touch and hold the metal charging port to adjust brightness.
- **Remote Control:** Use the brightness adjustment buttons (sun icons) on the remote.

## **Dynamic Modes:**

The remote control allows you to select from four dynamic lighting modes:

- **FLASH:** Rapidly cycles through colors.
- **STROBE:** Flashes through colors with a brief pause.
- **FADE:** Smoothly transitions between colors.
- **SMOOTH:** Gradually changes colors.

## MAINTENANCE

---

- **Cleaning:** Wipe the lamp and stand with a soft, dry cloth. Do not use abrasive cleaners or immerse in water.
- **Battery Care:** To prolong battery life, avoid fully discharging the lamp frequently. Recharge when the light dims significantly.
- **Storage:** Store the lamp in a cool, dry place when not in use for extended periods.

## TROUBLESHOOTING

---

- **Lamp does not turn on:** Ensure the lamp is fully charged. Check the power switch at the bottom of the lamp. If using the remote, ensure the battery is not depleted.
- **Remote control not working:** Check the battery in the remote control and replace if necessary. Ensure there are no obstructions between the remote and the lamp.

- **Light flickers or dims unexpectedly:** This usually indicates a low battery. Recharge the lamp.
- **Charging port/housing loose:** While rare, if the charging port or its housing becomes loose, handle with care. Contact customer support for assistance.
