- **Swing Arm Clamp Lamp & Wide Area Illumination:** The head can rotate 300° horizontally and vertically, and the arm can be freely moved to adjust the light direction, making it optimal for work and reading.

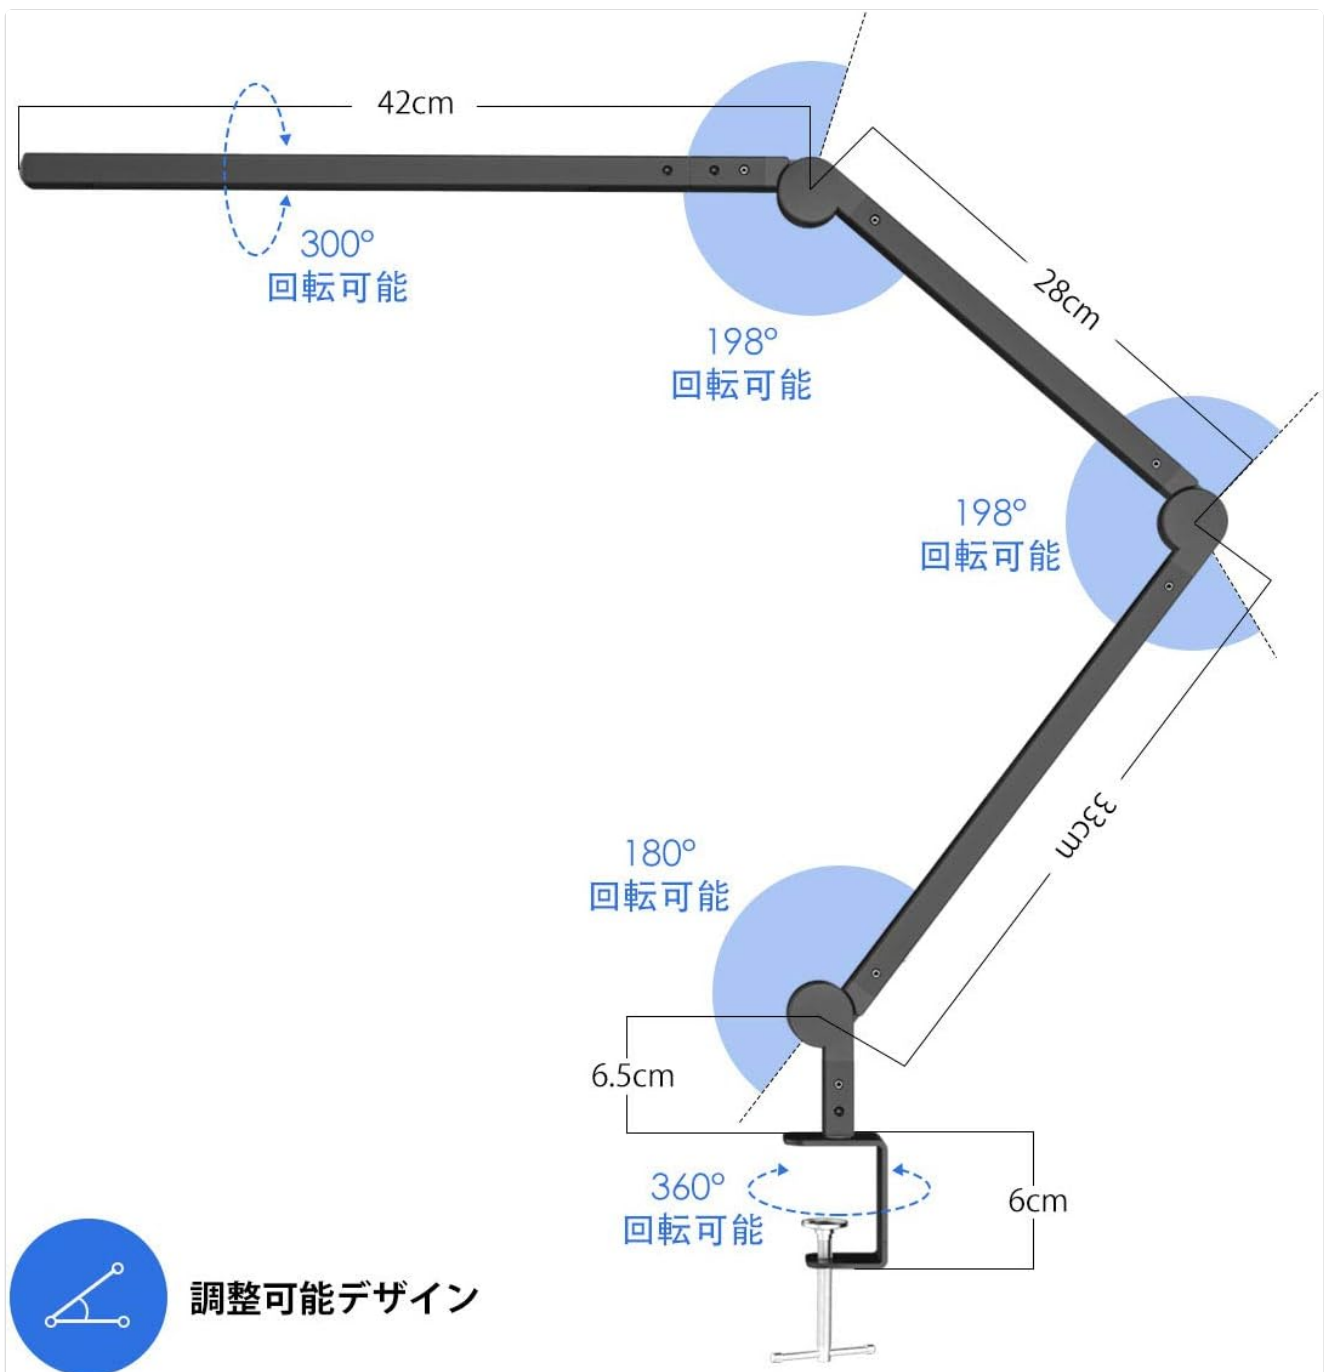

Figure 4: The lamp features a highly adjustable design, allowing for precise positioning of light with multiple pivot points.

- **Clamp-on & Space-Saving:** The aluminum clamp securely attaches to surfaces up to 6cm thick, allowing easy fixation vertically or horizontally on table surfaces, saving space.

Figure 5: The clamp-on design frees up desk space, making it ideal for compact workstations.

- **Stepless Dimming, Timer, & Memory Function:** Press the touch switch to freely adjust brightness and color temperature steplessly. Features 10-minute and 40-minute timer settings for energy saving. The memory function automatically recalls the last used mode when restarted.

- **Energy-Saving Desk Lamp:** Equipped with 98 high-brightness LEDs, consuming only 1/4 the power compared to ordinary lights, with a lifespan of 50,000 hours. No need for long-term replacement, making it energy-efficient.

3. PACKAGE CONTENTS

Please check that all items are present and undamaged upon opening the package.

- JOLY JOY LED Desk Lamp (Main Unit)
- Clamp Base
- AC Power Adapter
- User Manual (This document)

4. SETUP INSTRUCTIONS

1. **Attach the Clamp Base:** Insert the lamp's main arm into the hole on the clamp base. Ensure it is securely seated.
2. **Mount the Lamp:** Choose a suitable surface (desk, shelf, etc.) with a thickness of up to 6cm. Loosen the screw on the clamp base, slide the clamp onto the edge of the surface, and tighten the screw firmly to secure the lamp.

Figure 7: Securely attach the lamp to your desk using the robust clamp.

3. **Connect Power:** Plug the AC power adapter into the power input port located on the lamp's base. Then, plug the adapter into a standard electrical outlet (100V AC).
4. **Adjust Position:** Adjust the lamp head and arm to your desired position. The head can rotate 300°, and the arm joints allow for flexible movement. The base also rotates 360°.

5. OPERATING INSTRUCTIONS

The JOLY JOY LED Desk Lamp features intuitive touch controls for easy operation.

- **Power On/Off:** Lightly touch the **Power button** (①) to turn the lamp on or off.
- **Brightness Adjustment (Stepless Dimming):**
 - When the lamp is on, touch and hold the **Brightness button** (※) to increase or decrease the brightness steplessly. Release when desired brightness is reached.
- **Color Temperature Adjustment:**
 - When the lamp is on, lightly touch the **Color Temperature button** () to cycle through different color temperature modes (e.g., Warm White, Natural White, Cool White).
 - The lamp offers a range from 3000K (warm) to 5500K (cool).
- **Timer Function:**
 - To activate the timer, press the **Timer button** ().
 - One press activates the 10-minute timer. The lamp will turn off automatically after 10 minutes.
 - Two presses activate the 40-minute timer. The lamp will turn off automatically after 40 minutes.

- **Memory Function:** The lamp is equipped with a memory function. When you turn the lamp off and then on again, it will automatically resume the last used brightness and color temperature settings.

6. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your JOLY JOY LED Desk Lamp.

- **Cleaning:** Disconnect the power before cleaning. Use a soft, dry cloth to wipe the lamp. Do not use abrasive cleaners, solvents, or harsh chemicals, as they may damage the finish or electronic components.
- **Storage:** If storing the lamp for an extended period, ensure it is clean and dry. Store it in a cool, dry place away from direct sunlight and extreme temperatures.
- **LED Lifespan:** The integrated LED light source has a lifespan of approximately 50,000 hours and is not user-replaceable.

7. TROUBLESHOOTING

If you encounter any issues with your lamp, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	Power adapter not connected. No power from outlet. Faulty power adapter.	Ensure the power adapter is securely plugged into both the lamp and the wall outlet. Test the outlet with another device. Contact customer support if the adapter is suspected to be faulty.
Brightness or color adjustment not working.	Incorrect touch operation. Control panel malfunction.	Ensure you are touching and holding for brightness, and lightly tapping for color. Try unplugging and re-plugging the lamp to reset it.
Lamp flickers.	Unstable power supply. Internal component issue.	Try plugging the lamp into a different outlet. If flickering persists, contact customer support.

If the problem persists after trying these solutions, please contact JOLY JOY customer support for assistance.
