FitSand Hard Case for Ancel AD410 OBD II Scanner - User Manual

Model Compatibility: Ancel AD410 Enhanced OBD II Vehicle Code Reader

[Introduction](#) [Features](#) [Usage](#) [Maintenance](#) [Specifications](#) [Troubleshooting](#) [Warranty & Support](#)

1. INTRODUCTION

Thank you for choosing the FitSand Hard Case. This protective case is specifically designed to safeguard your Ancel AD410 Enhanced OBD II Vehicle Code Reader from physical damage, dust, and moisture. Crafted from high-quality EVA materials, it ensures your device remains secure and functional, extending its lifespan.

2. KEY FEATURES

- **Robust Protection:** Constructed with shockproof, dustproof, and waterproof EVA materials to shield your device from impacts, splashes, and environmental elements.
- **Secure Interior:** Features a soft inner flannel texture and a crash pad to prevent bumps, dents, and scratches during transport.
- **Organized Storage:** Designed with ample space to accommodate the Ancel AD410 scanner and its essential accessories.
- **Durable Zipper:** Equipped with a smooth, two-way 360° zipper and delicate stitching for easy and secure access.
- **Portable Design:** Lightweight and fashionable, making it convenient to carry your device wherever you go.

3. USAGE INSTRUCTIONS

3.1 Storing Your Device

1. **Open the Case:** Unzip the 360° two-way zipper completely to open the case.
2. **Place the Scanner:** Gently place your Ancel AD410 OBD II Scanner into the main compartment. Ensure it fits snugly against the soft inner lining.
3. **Secure with Strap (if applicable):** If your case features an elastic strap, use it to hold the scanner firmly in place.
4. **Store Accessories:** Utilize the mesh pocket for storing smaller accessories such as cables, adapters, or user manuals.
5. **Close the Case:** Carefully close the zipper, ensuring no cables or parts are caught. The durable zipper is

designed for smooth operation.

3.2 Portability

The compact and lightweight design allows for easy portability. You can carry it by hand, store it in a backpack, or keep it in your vehicle's glove compartment or trunk for convenient access.

Image: A hand holding the FitSand hard case by its integrated wrist strap, demonstrating its portability.

4. CARE AND MAINTENANCE

- **Cleaning:** Wipe the exterior of the case with a soft, damp cloth. For stubborn stains, a mild soap solution can be used, followed by wiping with a clean, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** If the case gets wet, allow it to air dry completely before storing your device inside. Ensure the interior is dry to prevent moisture damage to your scanner.
- **Storage:** Store the case in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Zipper Care:** Periodically check the zipper for any debris. If it becomes stiff, a small amount of zipper lubricant can be applied.

5. PRODUCT SPECIFICATIONS

Material:	High-Quality EVA (Ethylene-vinyl acetate)
External Dimensions:	8.5 x 5 x 2 inches (approximately)
Weight:	120g (approximately)
Color:	Black
Compatibility:	Ancel AD410 Enhanced OBD II Vehicle Code Reader
Protection Features:	Shockproof, Dustproof, Waterproof, Anti-static Lining

6. TROUBLESHOOTING

- **Case is difficult to close:** Ensure the Ancel AD410 scanner and any accessories are properly positioned within the case and not overfilling the compartments. Avoid forcing the zipper.
- **Case appears dirty:** Refer to the "Cleaning" section under Care and Maintenance for instructions.
- **Zipper is stuck:** Check for any fabric or debris caught in the zipper teeth. Gently remove any obstructions. If necessary, apply a small amount of zipper lubricant.

7. WARRANTY AND SUPPORT

For warranty information or product support, please refer to the documentation provided with your purchase or contact FitSand customer service directly. Keep your proof of purchase for any warranty claims.
