

MASTER & DYNAMIC MW07PB

Master & Dynamic MW07 True Wireless Earphones

Model: MW07PB | Brand: MASTER & DYNAMIC

INTRODUCTION

The Master & Dynamic MW07 True Wireless Earphones are designed to deliver a premium audio experience with a focus on aesthetics, strength, comfort, and exceptional sound. These noise-isolating, in-ear wireless earbuds feature advanced acoustics, best-in-class connectivity, and innovative comfort technology for an immersive listening experience.

Crafted with a luxurious handcrafted marbled acetate design, the MW07 earphones are both modern and timeless, transforming the way you listen to your favorite music.

WHAT'S IN THE BOX

Your Master & Dynamic MW07 True Wireless Earphones package includes the following components:

- MW07 True Wireless Earphones (Left and Right)
- Stainless Steel Charging Case
- USB-C to USB-A Charging Cable
- USB-A Adapter
- 5 Pairs of Silicone Ear Tips (XS, S, M, L, XL)
- 2 Pairs of Silicone Fit Wings (Small, Large)
- Canvas Pouch for accessories

PRODUCT OVERVIEW

The MW07 earphones are engineered for superior sound and user convenience. Key features include:

- **10mm High-Performance Beryllium Drivers:** Deliver rich, expansive sound across all music genres.
- **Noise-Isolating Design:** Provides a snug fit that reduces ambient noise for an immersive audio experience.
- **Lightweight Slim Profile:** Designed for comfortable, extended wear and easy portability.
- **Handcrafted Marbled Acetate Construction:** Offers a durable and aesthetically pleasing finish.
- **Hand-Polished Stainless Steel Charging Case:** Provides elegant mobility and additional charges.

SETUP

1. Charging the Earphones and Case

Before first use, fully charge your MW07 earphones and the charging case. The case holds 3 additional charges, providing a total of 14 hours of listening time.

- Connect the provided USB-C to USB-A charging cable to the charging case and a power source.
- The indicator lights on the case will show the charging status:
 - **Red:** Low battery
 - **Amber:** Medium battery
 - **Green:** Full battery
- Place the earphones into the charging case. The earphone indicator lights will illuminate to show their charging status.
- A full charge for the earphones takes approximately 1.5 hours. The charging case can be charged to 50% in 15 minutes and 100% in 40 minutes.

2. Fitting the Earphones

Proper fit is crucial for optimal sound quality and noise isolation. The MW07 comes with various ear tips and patented silicone "fit wings" to ensure a secure and comfortable fit.

- Experiment with the 5 sizes of silicone ear tips to find the best seal for your ear canal.
- Select either the small or large silicone fit wings. These wings are designed to rest securely in the outer part of your ear.
- Gently insert the earphone into your ear, rotating it slightly until the fit wing sits comfortably and securely.

3. Pairing with Your Device

The MW07 earphones feature quick pairing Bluetooth 4.2 technology with a range of over 20 meters.

1. Ensure the earphones are charged and placed in the charging case.
2. Open the charging case. The earphones will automatically enter pairing mode.
3. On your device (smartphone, tablet, computer), navigate to the Bluetooth settings.
4. Select "MW07" from the list of available devices.

5. Once connected, the indicator light on the right earbud will turn solid blue.
6. For subsequent uses, simply remove the earphones from the charging case, and they will automatically connect to the last paired device.

OPERATING THE EARPHONES

1. Controls

The MW07 earphones feature intuitive controls for media playback and calls:

- **Right Earbud (Multifunction Button):**
 - **Single Press:** Play/Pause music.
 - **Double Press:** Skip to next track.
 - **Triple Press:** Skip to previous track.
 - **Press and Hold:** Activate voice assistant (Siri, Google Assistant, etc.).
- **Left Earbud (Volume Control):**
 - **Volume Up Button:** Increase volume.
 - **Volume Down Button:** Decrease volume.

2. Automatic Play and Pause

The MW07 earphones are equipped with optical sensors that detect in-ear placement. This enables an automatic play and pause function:

- Music will automatically pause when you remove one or both earphones from your ears.
- Music will automatically resume when you place both earphones back into your ears.

3. Making and Receiving Calls

The built-in microphone allows for clear communication during calls.

- **Answering/Ending a Call:** Single press the multifunction button on the right earbud.
- **Rejecting a Call:** Press and hold the multifunction button on the right earbud.

MAINTENANCE

To ensure the longevity and optimal performance of your MW07 earphones, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the earphones and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips and Fit Wings:** Remove and clean the silicone ear tips and fit wings with mild soap and water. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, always store the earphones in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from extreme temperatures.
- **Water Resistance:** The MW07 earphones are water-resistant. However, they are not waterproof. Avoid submerging them in water or exposing them to heavy rain. Dry them thoroughly if they get wet.

TROUBLESHOOTING

If you encounter issues with your MW07 earphones, try the following troubleshooting steps:

| Problem | Solution |
|--|--|
| Earphones not pairing/connecting. | <ul style="list-style-type: none">• Ensure both earphones are charged.• Place earphones in the charging case, close the lid, wait a few seconds, then open the lid to re-enter pairing mode.• On your device, forget/unpair "MW07" from your Bluetooth settings and attempt to pair again.• Ensure your device's Bluetooth is enabled and within the 20+ meter range. |
| No sound or low volume. | <ul style="list-style-type: none">• Check the volume level on both your earphones (left earbud controls) and your connected device.• Ensure earphones are properly seated in your ears and making good contact.• Clean any debris from the ear tips and speaker grilles.• Reconnect the earphones to your device. |
| Earphones not charging. | <ul style="list-style-type: none">• Ensure the charging cable is securely connected to both the case and the power source.• Check the charging case battery level.• Ensure the earphones are correctly placed in the charging case and the charging pins are clean.• Try a different USB-C cable or power adapter. |
| Automatic play/pause not working. | <ul style="list-style-type: none">• Ensure the optical sensors on the earphones are clean and free of debris.• Verify the earphones are properly seated in your ears. |
