

KAWADA CN-03

KAWADA Nanoblock Caranano Ultraman CN-03 Instruction Manual

Model: CN-03

1. PRODUCT OVERVIEW

The KAWADA Nanoblock Caranano Ultraman CN-03 is a micro-sized building block set designed to create a detailed figure of Ultraman. This collectible item is part of the Caranano series, featuring characters in a standard size and packaging that doubles as a display case. The set allows you to construct the brave form of Ultraman, complete with specium rays, and is recommended for ages 12 and up.

Key features include:

- Reproduces the iconic Ultraman character.
- Micro-sized blocks for intricate detail.
- Packaging designed to function as a display case.
- Includes a transparent plate (10 x 10 studs) for display.
- Compact size (1.6 x 3.4 x 2.8 inches) for versatile display options.

2. SETUP AND ASSEMBLY

Follow these steps to assemble your Nanoblock Caranano Ultraman CN-03 figure and prepare its display case.

1. **Assemble the Blocks:** Carefully follow the included instructions to connect the micro-sized blocks and construct the Ultraman figure. Pay close attention to the color and shape of each block for accurate assembly.
2. **Prepare the Display Package:** The product packaging is designed to be used as a display case. Reverse the inner cardboard insert of the package to create a stable base and background for your figure.
3. **Insert the Figure:** Once the Ultraman figure is fully assembled, gently place it inside the prepared package. Ensure it stands securely on the transparent display plate.
4. **Display:** Your Nanoblock Caranano Ultraman is now ready for display.

3. OPERATING AND DISPLAY

The Nanoblock Caranano Ultraman CN-03 is designed primarily as a display item. Once assembled, it can be showcased in its dedicated packaging or on any flat surface using the included transparent display plate.

- **Display Case:** The product box serves as a convenient display case. After reversing the inner cardboard, the assembled figure fits perfectly inside, protecting it from dust while allowing visibility.
- **Transparent Plate:** A 10x10 stud transparent plate is included. This plate can be used as a base for the Ultraman figure if you choose to display it outside the box.
- **Placement:** Due to its compact size, the figure can be displayed on shelves, desks, or in collection cabinets.

4. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Nanoblock Caranano Ultraman CN-03, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth or a small, soft brush to gently remove dust from the figure. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic blocks.
- **Storage:** When not on display, store the figure in a cool, dry place away from direct sunlight to prevent discoloration or material degradation. The original packaging can be used for storage.
- **Handling:** Handle the figure with care to avoid accidental disassembly. The micro-sized blocks can be delicate.

5. TROUBLESHOOTING

While Nanoblock sets are generally straightforward, you might encounter minor issues. Here are some common concerns and solutions:

- **Difficulty Assembling:** If you find it challenging to connect blocks, ensure you are applying even pressure. Refer to the instruction manual for detailed step-by-step guidance. Sometimes, a small tool like tweezers can help with very small pieces.

- **Missing Pieces:** Carefully check the packaging and surrounding area for any small blocks that might have been overlooked. If pieces are genuinely missing, contact the retailer or manufacturer for assistance.
- **Figure Instability:** Ensure all blocks are firmly pressed together. If the figure feels wobbly, re-examine the connections, especially at the base. The transparent display plate provides additional stability.

6. SPECIFICATIONS

Attribute	Detail
Brand	KAWADA
Model Number	CN-03
Product Name	Nanoblock Caranano Ultraman
Product Size (Approx.)	1.6 x 3.4 x 2.8 inches (40 x 87 x 70 mm)
