OPERATING INSTRUCTIONS

Your Homelegance dining set is designed for everyday use. The table comfortably seats 6 people, with each chair and the bench supporting up to 250 lbs.

- **Seating Arrangement:** The set includes a table, four chairs, and one bench. The bench can be positioned on either side of the table or against a wall to optimize space.
- **Stability:** Periodically check and re-tighten all bolts to maintain the stability of the table, chairs, and bench.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your dining set:

- **Cleaning:** Wipe the table and chair surfaces with a dry cloth. For upholstered faux leather seats, wipe clean with a damp cloth and mild soap if necessary, then dry immediately.
- **Protection:** Use coasters and placemats to protect the tabletop from heat, moisture, and scratches.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as these can damage the finish and upholstery.
- **Safety:** Keep the furniture away from naked flames or direct heat sources. Do not allow horseplay on or under the chairs or bench. Do not stand or jump on the table, chairs, or bench.

TROUBLESHOOTING

If you encounter any issues with your dining set, consider the following:

- **Wobbly Furniture:** Ensure all bolts are securely tightened. If wobbling persists, check that the furniture is on a level surface.
- **Surface Damage:** Minor scratches or marks on the wood finish may be addressed with furniture repair pens or polishes designed for wood.
- **Upholstery Stains:** For stubborn stains on faux leather, use a specialized faux leather cleaner, testing on an inconspicuous area first.
