Keter Elite Store 4.6 x 2.7 Foot Resin Outdoor

Keter Elite Store Outdoor Storage Shed

MODEL: ELITE STORE 4.6 x 2.7 FOOT RESIN OUTDOOR

Introduction

The Keter Elite Store Outdoor Storage Shed is designed to provide a durable, weather-resistant, and spacious solution for organizing your outdoor essentials. With a generous 41 cubic feet capacity, it is ideal for storing garden tools, pool accessories, trash bins, BBQ gear, and even bicycles. Its robust construction from polypropylene resin plastic with steel reinforcement ensures long-lasting performance against various weather conditions, preventing warping, denting, rusting, or peeling.

Safety Information

- Always read and understand all instructions before assembly and use.
- Ensure the shed is assembled on a flat, level surface to prevent structural instability.
- Do not overload the shed beyond its stated weight capacity.
- Keep children and pets away from the assembly area.
- Exercise caution when opening and closing the lid and doors to avoid pinching fingers, especially with the hydraulic pistons.
- Secure the shed to the ground if strong winds are common in your area.

Product Features

Key Features: Easy lift & soft close lid, hygienic lid to bin opening kit, built-in ventilation, padlock compatible.

Duotech Material: Maintenance-free resin with natural look and feel, heavy-duty and durable.

- **Spacious Capacity:** 41 cu. ft. (1150 L) for various outdoor items.
- **Durable Construction:** Made from polypropylene resin plastic with steel reinforcement.
- **Weather-Resistant:** Waterproof and UV-protected to prevent warping, denting, rusting, or peeling.
- **Easy Access:** Double doors and an automatic easy-opening lid with hydraulic pistons for smooth operation.
- **Ventilation:** Built-in ventilation to maintain airflow and prevent moisture buildup.
- **Bin Opening Kit:** Features lid-to-lid chains for effortless one-handed access to garbage cans.
- **Customizable:** Shelving support (shelves not included) and paintable walls.

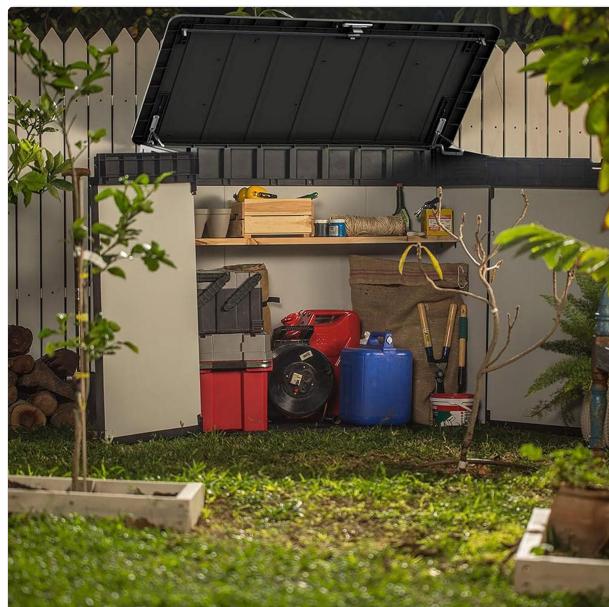

Setup and Assembly

The Keter Elite Store requires assembly. Please refer to the detailed User Guide (PDF) provided by Keter for

step-by-step instructions, including a complete parts list and assembly diagrams. Ensure all components are present and undamaged before beginning assembly.

Dimensions: 55.5 inches (W) x 32.3 inches (D) x 48.6 inches (H).

The spacious interior allows for organized storage of various items.

Tools Required: Typically, a screwdriver and possibly a rubber mallet are needed for assembly. Always follow the manufacturer's instructions for specific tool requirements.

Operating Instructions

The Keter Elite Store is designed for ease of use:

- **Lid Operation:** The lid features hydraulic pistons for smooth, automatic opening and a soft-closing mechanism to prevent accidental finger pinching. Simply lift the lid handle to open.
- **Door Operation:** The double doors open wide for full access to the interior. They can be secured with a padlock (not included) for added security.
- **Bin Access:** Utilize the integrated bin opening kit with lid-to-lid chains to easily open your garbage cans

when the shed lid is raised, allowing for convenient one-handed disposal.

- **Ventilation:** The built-in ventilation system ensures air circulation, reducing moisture and odors inside the shed.

Official Keter video demonstrating the features and functionality of the Elite Store, including its spacious interior and easy access.

Maintenance

The Keter Elite Store is designed for low maintenance:

- **Cleaning:** Clean the shed periodically with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the resin material.
- **Weather Resistance:** The shed's polypropylene resin plastic and steel reinforcement are weather-resistant, waterproof, and UV-protected. This prevents common issues like warping, denting, rusting, or peeling.
- **Inspection:** Regularly inspect the shed for any signs of wear or damage, especially after severe weather conditions. Ensure all moving parts, such as hinges and hydraulic pistons, operate smoothly.

The built-in ventilation helps maintain a dry and odor-free environment.

Troubleshooting

- **Lid not closing properly:** Check for any obstructions inside the shed or along the lid's closing path. Ensure the shed is on a level surface.
- **Doors not aligning:** Verify that the shed is assembled correctly and on a level surface. Adjust hinges if necessary according to the user guide.
- **Water accumulation inside:** Ensure the shed is properly sealed and all panels are securely connected. Check for any cracks or damage that might allow water ingress.
- **Shed moving in strong winds:** If not already done, secure the shed to the ground using appropriate anchoring methods (e.g., ground stakes, not included) suitable for your local conditions.

Specifications

Attribute	Value
Brand	Keter
Model Number	Elite Store 4.6 x 2.7 Foot Resin Outdoor
Color	Grey & Black
Material	Polypropylene resin plastic & steel
Product Dimensions (D x W x H)	32.3"D x 55.5"W x 48.6"H
Item Weight	55.1 Pounds
Storage Capacity	41 cu. ft.
Water Resistance Level	Waterproof
UV Protection	Yes
Assembly Required	Yes
Weight Limit	5356.2 Pounds
UPC	731161050909
