

Cogo 3620

Cogo Fire Aerial Rescue Building Blocks 430-Piece Set Instruction Manual

Model: 3620

1. INTRODUCTION

This manual provides essential information for the assembly, care, and safe use of your Cogo Fire Aerial Rescue Building Blocks 430-Piece Set. Please read these instructions carefully before beginning assembly to ensure a correct and enjoyable building experience.

The Cogo Fire Aerial Rescue Building Blocks set allows you to construct a detailed fire aerial rescue vehicle, promoting fine motor skills, hand-eye coordination, and spatial awareness through creative play.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts. Not suitable for children under 3 years.

- Always supervise young children during play to prevent accidental ingestion of small parts.
- Keep all packaging materials away from children to avoid suffocation risks.
- Inspect all pieces regularly for damage. Discard any broken or damaged parts immediately.
- This product is intended for indoor use.

3. PACKAGE CONTENTS

Your Cogo Fire Aerial Rescue Building Blocks set includes:

- Approximately 430 assorted building block pieces.
- Detailed assembly instructions (typically visual diagrams).

Please verify that all pieces are present before starting assembly. If any parts are missing, refer to the customer support section.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step visual diagrams provided in your product packaging for detailed assembly. The general process involves:

1. **Preparation:** Unpack all building blocks and sort them by color, size, or type to facilitate easier assembly.
2. **Base Construction:** Begin by building the base structure of the fire aerial rescue vehicle as indicated in the instructions.
3. **Layered Building:** Continue adding layers of blocks, ensuring each piece is firmly connected to the previous one. Pay close attention to the orientation of specialized pieces.
4. **Adding Details:** Attach smaller, intricate pieces such as ladders, wheels, lights, and other accessories to complete the model.
5. **Final Check:** Once assembled, gently test the stability of the model and ensure all parts are securely attached.

5. CARE AND MAINTENANCE

To ensure the longevity and cleanliness of your building blocks:

- **Cleaning:** Wipe blocks with a damp cloth and mild soap if necessary. Rinse thoroughly with clean water and allow to air dry completely before storing. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent material degradation.
- **Inspection:** Periodically check all pieces for wear and tear. Replace any broken or severely worn pieces to maintain play safety and quality.

6. TROUBLESHOOTING

- **Missing Pieces:** If you discover missing pieces, carefully re-check the packaging and surrounding area. If still missing, contact customer support with details of the missing part.

- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, even pressure. Avoid forcing pieces together, which can cause damage.
- **Model Instability:** Double-check all connections according to the assembly instructions. Ensure each block is fully seated.

7. PRODUCT SPECIFICATIONS

Feature	Detail
Product Name	Cogo Fire Aerial Rescue Building Blocks Set
Model Number	3620
Number of Pieces	430
Material Type	Polypropylene
Recommended Age	5 - 6 years
Product Dimensions	68 x 61 x 44 cm (assembled, approximate)
Item Weight	1.3 kg (2.87 Pounds)
Assembly Required	Yes
Batteries Required	No

8. CUSTOMER SUPPORT
