2. KEY FEATURES

The CHEREEKI Sport Polarized Sunglasses are equipped with advanced features for enhanced visual clarity and protection:

- **100% UV400 Protection:** Lenses block all harmful UVA and UVB rays, safeguarding your eyes from sun damage.
- **Polarized Lenses:** Effectively eliminate reflected glare and scattered light, providing clear vision and reducing eye strain, especially near water or snow.
- **Durable TR90 Frame:** Constructed from flexible, unbreakable, and ultralight TR90 material, ensuring comfort and resistance to wear and bending.
- **Ergonomic Design:** Features an ergonomic nose pad and a lightweight structure for a comfortable and secure fit during extended use.
- **Versatile Use:** Ideal for a wide range of outdoor activities including cycling, golf, climbing, fishing, driving, running, riding, and hiking.

Lens Technology

The lenses are constructed with a 6-layer HD polarized design for optimal performance:

1. Surface scratch-resistant layer
2. HD polarized filter membrane
3. Reinforced triacetate cellulose membrane
4. Blocks 100% harmful UVA and UVB rays
5. Impact resistant coating with high impact resistance
6. Galvanic color coating layer

5. MAINTENANCE

Proper care will extend the life and maintain the performance of your CHEREEKI Sport Polarized Sunglasses.

- **Cleaning:** Clean the sunglasses after each use with the provided microfiber cleaning cloth. For stubborn smudges, use a mild soap solution and rinse with clean water, then dry with the microfiber cloth. Avoid using paper towels or abrasive materials, as these can scratch the lenses.
- **Storage:** Always store your sunglasses in the provided hard protection case or soft microfiber pouch when not in use. This protects them from scratches, dust, and accidental damage.

- **Temperature:** Avoid exposing the sunglasses to high temperatures, such as leaving them on a car dashboard in direct sunlight, as this can damage the lens coatings and frame material.
- **Handling:** Handle the sunglasses with care. While the TR90 frame is durable, excessive force can still cause damage.

6. TROUBLESHOOTING

If you encounter any issues with your CHEREEKI Sport Polarized Sunglasses, consider the following common solutions:

- **Blurred Vision:** If your vision appears blurry, ensure the lenses are clean. Use the microfiber cloth to gently wipe away any smudges or dust.
- **Discomfort:** If the sunglasses feel uncomfortable, adjust their position on your nose and ears. The flexible TR90 frame should provide a comfortable fit for most users.
- **Scratched Lenses:** Minor scratches can sometimes be polished with specialized lens repair kits (not included). For significant scratches affecting vision, consider contacting customer support for replacement options.
- **Frame Damage:** The TR90 frame is designed to be highly durable and resistant to breakage. If the frame is accidentally damaged, refer to the warranty information for support.

For issues not covered here, please contact CHEREEKI customer support.
