# Relaxdays Bamboo Bathtub Caddy

## MODEL 10025549 INSTRUCTION MANUAL

### 1. Introduction

Thank you for choosing the Relaxdays Bamboo Bathtub Caddy. This extendable bath tray is designed to enhance your bathing experience by providing convenient storage and support for your essentials. Please read this manual carefully before use to ensure proper setup, operation, and maintenance.

### 2. Safety Instructions

- Do not overload the caddy. The maximum capacity is approximately 5 kg (11 lbs).
- Ensure the caddy is stable and securely positioned across the bathtub edges before placing items on it.
- Keep electronic devices, such as smartphones and tablets, away from direct water contact to prevent damage.
- Exercise caution when handling hot beverages or fragile items on the caddy.
- This product is not a toy. Keep out of reach of children.

### 3. Package Contents

Verify that all components are present:

- 1 x Relaxdays Bamboo Bathtub Caddy
- 1 x Removable Soap Dish

*Note: Decorative items shown in product photos are not included.*

### 4. Setup and Assembly

1. **Extend the Caddy:** Gently pull the sides of the caddy outwards to extend it to the desired width. The caddy is adjustable between 75 cm and 109 cm (approximately 29.5 to 42.9 inches) to fit most standard bathtubs.
2. **Position the Caddy:** Place the extended caddy securely across the edges of your bathtub, ensuring it is stable and balanced.

**3. Insert Removable Trays:** The caddy includes two adjustable and removable compartments. Position these trays in the desired slots on either side of the main caddy body. The loose soap dish can be placed in one of these compartments or used independently.

## 5. Operating Instructions

The Relaxdays Bathtub Caddy offers various features for your convenience:

- **Book/Tablet Stand:** The central section features a foldable support. Lift the metal bracket to prop up a book or tablet. The stand has three grooves to adjust the viewing angle and ensure stability.
- **Wine Glass Holder:** A dedicated slot is provided to securely hold the stem of a wine glass, preventing spills.
- **Cup Holder:** A circular cutout is designed to hold a cup, mug, or small candle.
- **Smartphone Holder:** A narrow slot is available to hold most smartphones upright.
- **Removable Trays:** Use the two removable compartments for toiletries, sponges, razors, or other small items. The loose soap dish fits within these compartments.

## 6. Maintenance and Care

- **Cleaning:** Wipe the caddy with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Drying:** After cleaning or if it gets wet, ensure the caddy is thoroughly dried to prevent water damage or mold growth, especially for the bamboo components.
- **Storage:** Store the caddy in a dry, well-ventilated area when not in use.
- **Avoid Prolonged Soaking:** While designed for bath use, prolonged immersion in water is not recommended.

## 7. Troubleshooting

- **Caddy does not fit my bathtub:** Ensure the caddy is fully extended. It is designed to fit bathtubs between 75 cm and 109 cm (29.5 to 42.9 inches) in width. Measure your bathtub's internal width to confirm compatibility.
- **Items are slipping:** Ensure the caddy is placed on a dry, stable surface. Avoid placing items on the

caddy that exceed its weight capacity or are unstable.

- **Water damage/Stains:** Immediately wipe off any water spills. For persistent stains, use a gentle wood cleaner suitable for bamboo or MDF.
