Trefl Sky Over Paris 600 Piece Crazy Shapes Jigsaw Puzzle Instruction Manual

Brand: Trefl | Model: 11115

INTRODUCTION

The Trefl Sky Over Paris 600 Piece Crazy Shapes Jigsaw Puzzle offers a unique and engaging puzzle-solving experience. Unlike traditional puzzles, this series features pieces with irregular, non-standard shapes and a twisted, irregular edge, providing an enhanced challenge for enthusiasts. The completed puzzle depicts a vibrant evening sky over Paris, featuring the iconic Eiffel Tower and the Seine River.

SAFETY INFORMATION

- **WARNING: Choking Hazard** - Small parts. Not suitable for children under 3 years.
- Recommended for ages 10 and up.

WHAT'S IN THE BOX

- 600 unassembled puzzle pieces

SETUP

Before beginning assembly, ensure you have a clean, flat, and sufficiently large workspace. The completed puzzle measures approximately 680 x 480 mm (26.77 x 18.9 inches). Carefully open the box and gently pour out the puzzle pieces onto your prepared surface.

OPERATING INSTRUCTIONS

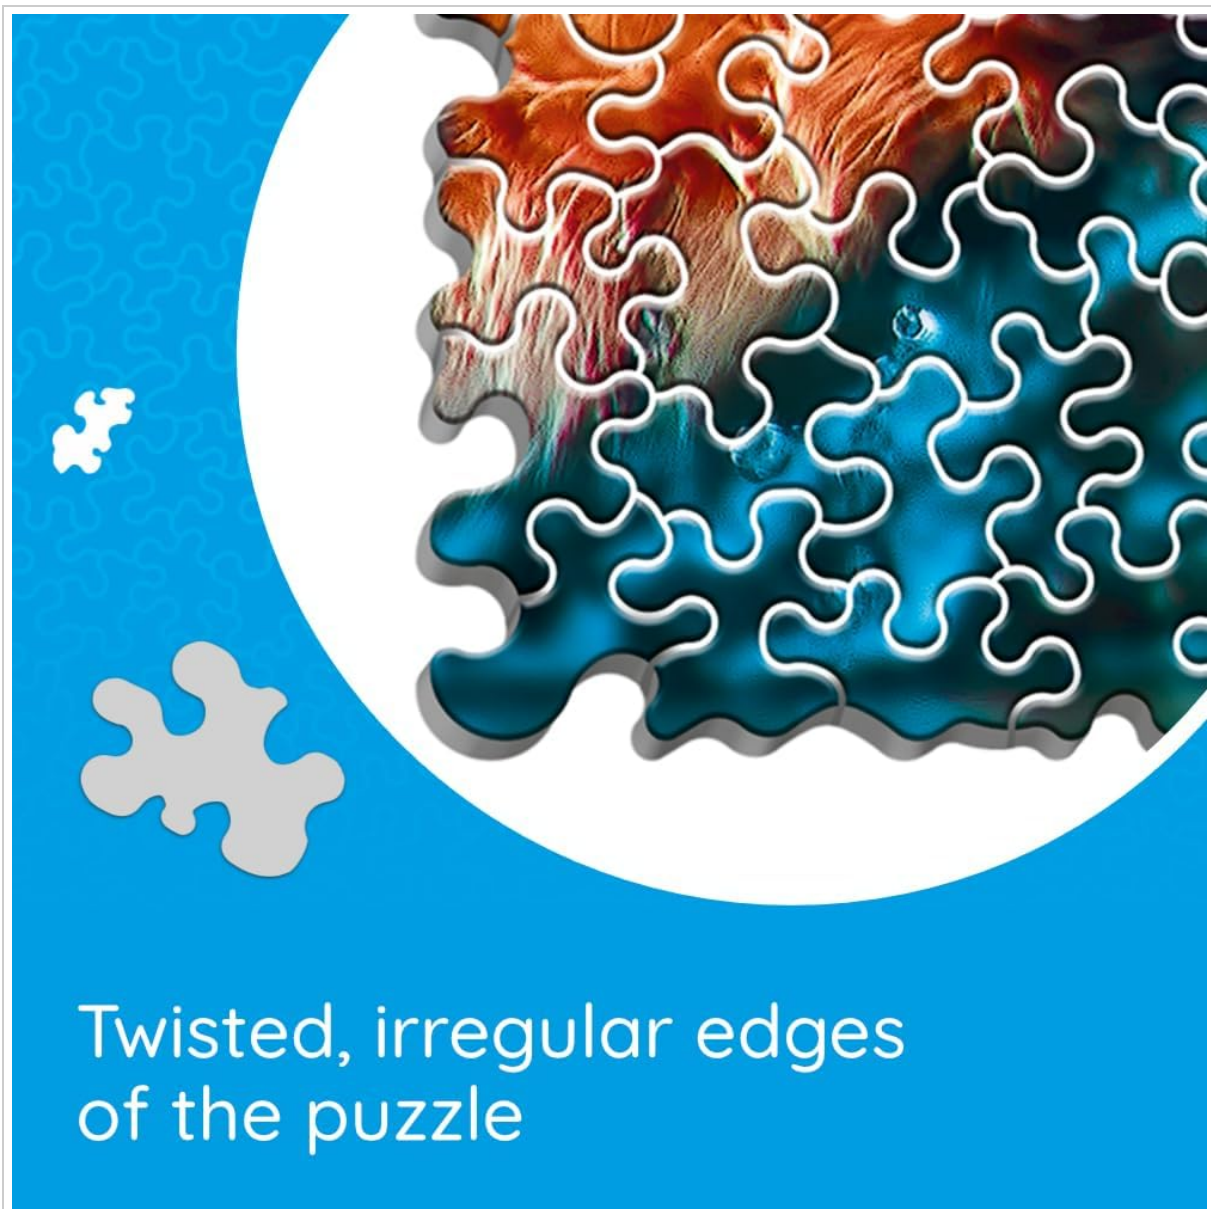

Understanding Crazy Shapes

This puzzle features unique, irregular pieces and a non-standard, wavy outer edge. This design adds an extra layer of challenge compared to traditional jigsaw puzzles. Do not expect straight edges or conventional piece shapes.

Puzzle with crazy shapes!

Assembly Tips

1. **Sort by Color and Pattern:** Due to the irregular shapes, sorting pieces by color, texture, or distinct patterns in the image can be more effective than relying solely on piece shape.
2. **Focus on Distinct Features:** Identify and assemble prominent features first, such as the Eiffel Tower, the boats on the river, or specific areas of the sky.
3. **Edge Strategy:** While the edges are irregular, they still form the perimeter of the puzzle. Try to identify pieces that clearly belong to the outer boundary, even if their shape is unconventional.
4. **Change Perspective:** If you get stuck, take a break or try looking at the puzzle from a different angle. Sometimes a fresh perspective helps in spotting connections.

Official Puzzle Guide

For additional tips and strategies on assembling Trefl puzzles, watch the official Puzzlemaniac guide:

Video: This guide provides helpful tips and strategies for assembling Trefl puzzles, including sorting and identifying pieces effectively.

Puzzle Dimensions

MAINTENANCE

To preserve your puzzle, consider using puzzle glue once completed. For storage of unassembled puzzles, specialized puzzle mats or sorters can help keep pieces organized and prevent loss.

Increase the comfort of puzzle stacking with additional accessories

TROUBLESHOOTING

Missing Pieces

While rare, if you believe pieces are missing from a new, sealed puzzle, please contact Trefl customer support. Ensure all packaging has been thoroughly checked, as small pieces can sometimes be overlooked.

Difficulty in Assembly

The Crazy Shapes series is designed to be challenging. If you find yourself struggling, revisit the assembly tips provided above. Sometimes, stepping away from the puzzle for a short period and returning with fresh eyes can be very effective. Remember, patience and observation are key to solving these unique puzzles.

SPECIFICATIONS

Brand	Trefl
-------	-------

Model Number	11115
Number of Pieces	600
Puzzle Type	Jigsaw (Crazy Shapes)
Material Type	Cardboard
