O Boticário Lily Eau de Parfum Instruction Manual

Model: 61981

1. Product Overview

The O Boticário Lily Eau de Parfum is a long-lasting fragrance for women, crafted through the artisan handcrafted process of enfleurage. This method extracts essential oils from the delicate lily flower, providing the core essence of this cruelty-free scent.

The fragrance opens with crisp notes of juicy fruits, which blend harmoniously with freshly picked flowers. It is balanced with sophisticated and invigorating warm notes of sandalwood and amber, ensuring a long-lasting finish suitable for day to night wear. The unique aroma emphasizes the personality of the stargazer lily, blending feminine chords with unmistakable freshness.

The perfume is elegantly presented in a travel-friendly golden glass orb, designed for convenience and portability.

2. Safety Information

For external use only. Avoid contact with eyes. In case of contact, rinse thoroughly with water. Keep out of reach of children. Store in a cool, dry place away from direct sunlight and heat.

3. Directions for Use (Operating)

To apply, spray lightly on moisturized skin or pulse points. Recommended pulse points include:

- Wrists
- Nape of your neck
- Behind the knees

This application method helps the fragrance to diffuse naturally with your body heat, ensuring a long-lasting scented trail.

5. Maintenance

To preserve the quality and longevity of your O Boticário Lily Eau de Parfum, follow these simple maintenance guidelines:

- **Storage:** Store the bottle in a cool, dark place, away from direct sunlight and extreme temperatures. Heat and light can degrade the fragrance over time.
- **Cap Security:** Always ensure the cap is tightly closed after each use to prevent evaporation and oxidation of the fragrance.
- **Handling:** Handle the bottle with care to avoid dropping or damaging it.
- **Cleaning:** If the bottle exterior becomes dusty, gently wipe it with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.

6. Troubleshooting

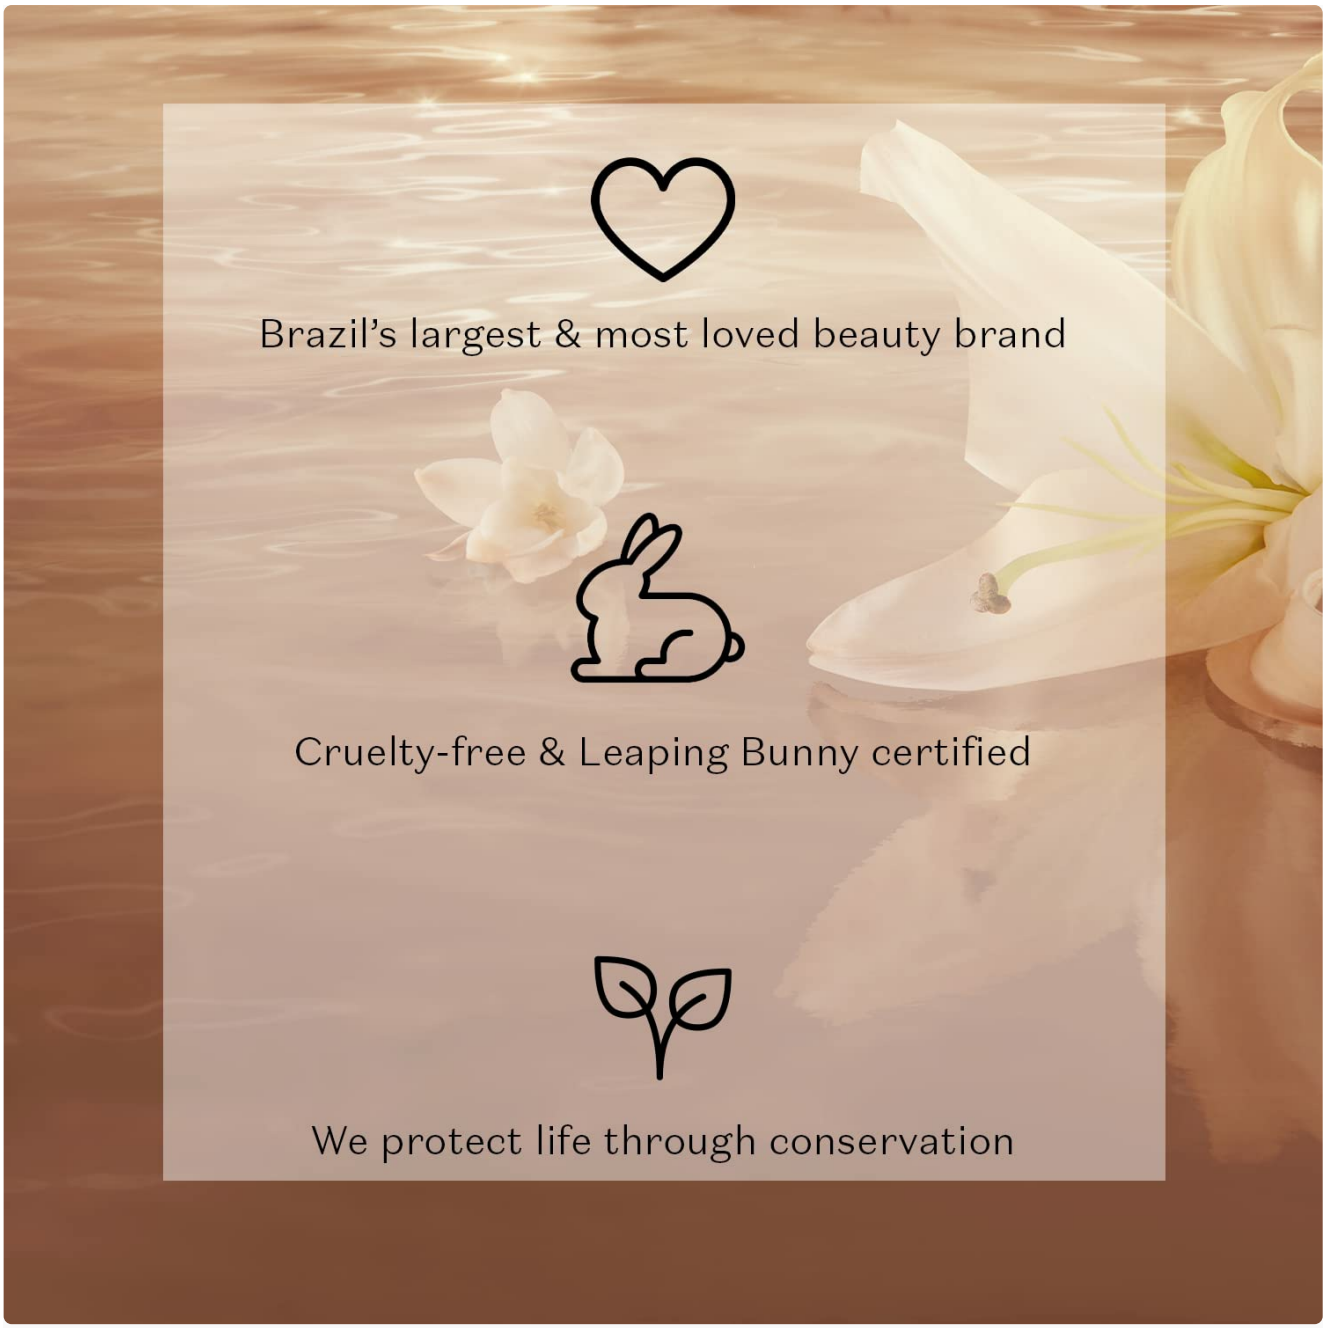

While O Boticário Lily Eau de Parfum is designed for quality, here are some common concerns and general troubleshooting tips:

- **Scent Longevity:** If the fragrance does not seem to last as long as expected, ensure you are applying it to moisturized skin. Dry skin tends to absorb fragrance more quickly. Applying to pulse points also helps with diffusion.
- **Scent Perception:** Individual body chemistry can affect how a fragrance smells and lasts. What smells strong on one person might be subtle on another.
- **Sprayer Issues:** If the sprayer is clogged, gently wipe the nozzle with a damp cloth. Do not attempt to disassemble the sprayer.
- **Allergic Reaction:** Discontinue use immediately if any irritation or allergic reaction occurs. Consult a healthcare professional if symptoms persist.
